Living Legacy Program Information

The Living Legacy Program provides an opportunity to honor, remember and pay tribute to loved ones or life events by planting a tree in Town parks as a living memorial while benefiting the entire community.

The Town of Frisco also has a Legacy Bench donation program. Please fill out the corresponding application at www.FriscoGov.com. Tree and bench donations cannot be combined.

Details of the Program:

- Contributions for one to three trees are welcomed and appreciated.
- The species of tree will be determined based on viability of the desired site.
- It is a departmental policy that markers or plaques are not allowed to be placed by the tree.
- Trees can be planted in almost any Town park or property.
- Requests are accepted year round; however trees are only planted once per year during summer months to increase chances of survival.
- Available tree species include: Bristlecone Pine, Colorado & Engelmann Spruce, Aspen, Narrowleaf Cottonwood and Shubert's Chokecherry.

Process and Procedure:

1. If you are interested in the program email a completed application form to the Program Manager, Tasha Mills at tasham@townoffrisco.com .
2. Final location & species of the tree is determined during site visit with a Public Works representative.
3. Submit donation monies to Town of Frisco.
4. Program manager will order the tree(s). Allow up to 2-3 weeks for delivery.
5. Applicants will be notified when planting is scheduled. Living Legacy contributors are welcome to attend the tree planting. Allow for 2-3 weeks after delivery until planting.

Program Terms and Costs:

- Cost is approximately $350 per tree
  - Cost will vary based on species and size.
- Deciduous trees will be at least 3 inches in diameter.
- Evergreen trees will be at least 5 to 6 feet in height.
- The donation includes: the tree, planting and care until established.
- Major renovations and untreatable disease may require the tree to be removed.
