

CERTIFICATION OF COMPLIANCE WITH THE APPROVED DEVELOPMENT PLAN

Pursuant to Article III, §180-19-I, Frisco Zoning Ordinance, once a development application has been approved, no substantial variation of the plan* shall be permitted without approval of the Community Development Department and/or Planning Commission.

I, the undersigned, hereby state and declare that (check one):

- No Changes:** All construction documents submitted with this building permit application are in compliance with the associated development plan as approved by the Town of Frisco Planning Division, Planning Commission, and/or Town Council.
- Changes:** The construction documents submitted with this building permit application include changes to the approved development project. A Modification to Approved Development Application addressing these changes has been submitted to the Town of Frisco Planning Division for the review.
- Not Applicable:** The scope of work for this building permit application does not require development application review by the Town of Frisco Planning Division, Planning Commission, and/or Town Council.
