

ZONING

§ 180-7. Zoning District Boundaries.

Unless otherwise provided, zoning district boundaries shall be on municipal corporate lines, lot lines, natural boundary lines or on the center lines of highways, streets, alleys, railroad rights-of-way or extensions of such center lines. In cases where such lines are not evident, the zoning district boundaries shall be determined by the "Zoning District Map of the Town of Frisco."

§180-8. General Use Restrictions.

No building or structure shall be erected, moved, altered, enlarged or used except as set forth in this chapter and in the regulations specified for the district in which the property is located. No building permit shall be issued for a use not specifically mentioned or described by category in this chapter. In such case before a building permit is issued, the Planning Commission shall recommend to the Board the use group in which the use shall be allowed. The Board shall consider such recommendation and may assign the use to a use group by amending this chapter.
