ZONING

- c. The first floor ceiling height for non-residential uses shall be a minimum of ten (10) feet in height
7. Maximum density (residential uses only): fourteen (14) units per developable acre.
- a. Accessory Housing Unit Exemption: Any accessory housing unit meeting the town's requirements may be exempted from the density calculation as long as the unit is deed-restricted for rent to persons earning a maximum of 80% of the area median income, at a rate established by the Summit County Combined Housing Authority for that income level, and pursuant to other criteria as established from time to time by the Town or the Summit County Combined Housing Authority.
 - b. Affordable Housing Exemption: A density bonus over the maximum allowable density is available. A density bonus is an increase in the allowable number of dwelling units over the maximum density, provided that:
 - i. A minimum of 50% of the total number of bonus units is provided as affordable housing; or
 - ii. For each bonus dwelling unit allowed, at least two affordable housing units are provided on property outside of the subject property, but within the Town of Frisco or within one (1) mile of any corporate limit of the Town of Frisco.
8. Lot coverage: Lot coverage shall not exceed sixty percent (60%) of the total lot area. If additional lot coverage incentives are utilized, in no instance shall the aggregate lot coverage allowed be more than an additional 12 percentage points of the lot area.
- a. Accessory housing and affordable housing unit exemption: When a deed-restricted accessory housing unit or affordable housing unit, meeting the town's requirements, is constructed, the lot coverage maximum shall be increased by 5 percentage points.
 - b. Lower Building Height exemption:
 - i. A one percentage point (1%) increase in the maximum allowable lot coverage shall be permitted for buildings constructed from 41' to 42' in height.
 - ii. A two percentage point (2%) increase in the maximum allowable lot coverage shall be permitted for building constructed from 39' to 40.99' in height.
 - iii. A three percentage point (3%) increase in the maximum allowable lot coverage shall be permitted for buildings constructed from 37' to 38.99' in height.

ZONING

- iv. A four percentage point (4%) increase in the maximum allowable lot coverage shall be permitted for buildings constructed from 35' to 36.99' in height.
 - v. If multiple buildings of varying building heights are constructed on a single parcel, the Community Development Department shall assess this lot coverage incentive in a proportional amount based on the floor area of each building proposed. In no instance shall this lot coverage incentive result in an increase in more than five percentage points per lot.
 - 9. Open space shall be provided in the amount of ten percent (10%) of the gross floor area.
- B. Development standards: All development is subject to the goals and standards of the applicable overlay district as set forth in §180.18.1 - §180.18.7.
