TREE REMOVAL PERMIT APPLICATION

In instances where trees need to be removed due to safety, interference with utility lines, or wildfire mitigation, the following criteria shall be used to determine if a tree qualifies for removal without replacement.

- All coniferous trees with a diameter of six (6) inches or more and all deciduous trees with a diameter of three (3) inches or more, measured one (1) foot above the ground shall be defined as a Qualifying Tree and may be removed without replacement, only as follows:
 1. Trees on land to be occupied by buildings, parking, and paving plus a maximum eight (8) foot clearance strip adjacent to the perimeter thereof.
 2. Diseased trees, trees damaged by natural causes, and other trees that interfere with utility lines may be removed only upon authorization of the State Forester or other qualified person and authorization of the Town.
 3. Trees whose removal is necessary for fire safety or wildland fire defense may be removed upon authorization of a qualified specialist and authorization of the Town.
