**3.11 CORRECTIVE WORK:**

When any Work does not conform to the Contract Documents, Contractor shall make the necessary corrections so that the Work will so conform. Such corrections shall be accomplished within the time period approved by the Project Manager. Contractor shall direct all communications to the Town regarding the Project to the attention of the Project Manager.

## **PART 4. TERMINATION**

### **4.01 LABOR DISPUTES:**

Notwithstanding any other provision contained in this Contract, in the event of any picket or other form of labor dispute at the construction site(s), Contractor shall continue to perform the Work without interruption or delay. If Contractor ceases performance of the Work because of such picket or other form of labor dispute, the Town may terminate the services of Contractor after giving forty-eight (48) hours' written notice of its intent to do so.

### **4.02 DEFAULT:**

The Town may terminate this Contract upon seven (7) days' written notice to Contractor if Contractor defaults in the timely performance of any provision of the Contract Documents, or otherwise fails to perform the Work, or any part thereof, in accordance with the Contract Documents. Termination of the Contract by the Town shall not be the Town's exclusive remedy, and the Town may pursue such other remedies and actions lawfully available to the Town including, but not limited to, an action at law for damages against Contractor or any bonding agency issuing a bond hereunder, or an action in equity for injunctive relief.

## **PART 5. WARRANTIES:**

### **5.01 WARRANTY OR FITNESS OF EQUIPMENT AND MATERIALS:**

Contractor represents and warrants to the Town that all equipment and materials used in the Project, and made a part of the Project, or placed permanently in the Project, shall be new unless otherwise specified in the Contract Documents. All equipment and materials used shall be of good quality, free of defects and in conformity with the Contract Documents. All equipment and materials not in conformity with the Contract Documents shall be considered defective.

### **5.02 GENERAL WARRANTY:**

Contractor shall warrant and guarantee all material furnished and work performed by Contractor for a period of two (2) years from the date of final acceptance of the Project by the Project Manager. Under this warranty, Contractor agrees to repair or replace, at its own expense and under the direction of the Project Manager, any portion of the Project which fails or is defective, unsound, unsatisfactory because of materials or workmanship, or which is not in conformity with the provisions of the Contract. Should Contractor fail to perform any such work within the warranty period after a request by the Town, the Town may withdraw from the Performance and/or Payment Bonds any and all amounts necessary to complete the required work. The expiration of the warranty period shall in no way limit the Town's legal or equitable remedies, or the period in which such remedies may be asserted, for work negligently or defectively performed.

## **PART 6. BONDS, INSURANCE AND INDEMNIFICATION**

### **6.01 INDEMNIFICATION:**

Contractor agrees to indemnify and hold harmless the Town and its officers, insurers, volunteers, representative, agents, employees, heirs and assigns from and against all claims, liability, damages, losses, expenses and demands, including attorney fees, on account of injury, loss, or damage, including, without limitation, claims arising from bodily injury, personal injury, sickness, disease, death, property loss or damage, or any other loss of any kind whatsoever, which arise out of or are in any manner connected with this Agreement or the Scope of Services if such injury, loss, or damage is caused in whole or in part by, the act, omission, error, professional error, mistake, negligence, or other fault of Contractor, any subcontractor of Contractor, or any officer, employee, representative, or agent of Contractor or of any subcontractor of Contractor, or which arise out of any worker's compensation claim of any employee of Contractor or of any employee of any subcontractor of Contractor.

### **6.02 NOTICE OF CLAIM:**

If Contractor receives any claim arising from the performance of the Work, Contractor shall notify the Town in writing of the nature of the claim within twenty-four (24) hours of receipt of the claim by Contractor. In this notice, Contractor shall provide evidence that Contractor has notified Contractor's insurer of the claim. Contractor shall keep the Town apprised of the disposition of the claim, and Contractor shall take all necessary action to resolve the claim and make restitution, if required, as quickly as possible.

### **6.03 INSURANCE:**

A. Contractor agrees to procure and maintain, at its own cost, a policy or policies of insurance sufficient to insure against all liability, claims, demands, and other obligations assumed by Contractor pursuant to this Agreement. Such insurance shall be in addition to any other insurance requirements imposed by law.

B. Without limiting the generality of the foregoing, Contractor shall procure and maintain, and shall cause any subcontractor of Contractor to procure and maintain, the minimum insurance coverages listed below. Such coverages shall be procured and maintained with forms and insurers with a current Best's Insurance Guide Rating of A- or better and authorized to do business in the State of Colorado. In the case of any claims-made policy, the necessary retroactive dates and extended reporting periods shall be procured to maintain such continuous coverage.

1. Worker's compensation insurance to cover obligations imposed by applicable law for any employee engaged in the performance of Work under the Contract, and Employer's Liability insurance with minimum limits of five hundred thousand dollars (\$500,000) each accident, one million dollars (\$1,000,000) disease – policy limit, and one million dollars (\$1,000,000) disease – each employee. Evidence of qualified self-insured status may be substituted for the worker's compensation requirements of this paragraph.

2. Commercial general liability insurance with minimum combined single limits of at least one million dollars (\$1,000,000) each occurrence and two million dollars (\$2,000,000) general aggregate. The policy shall be applicable to all premises and operations. The policy shall include coverage for bodily injury, broad form property

damage (including completed operations), personal injury (including coverage for contractual and employee acts), blanket contractual, products, and completed operations. The policy shall contain a severability of interests provision, and shall be endorsed to include the Town and the Town's officers, employees, and consultants as additional insureds. No additional insured endorsement shall contain any exclusion for bodily injury or property damage arising from completed operations.

3. "All Risk" Builder's Risk insurance in a form acceptable to the TOWN upon the entire Project for the full cost of replacement at the time of any loss. This insurance shall include, as named insureds, the Town, Contractor, and any Subcontractors. This insurance shall include "all risk" insurance for physical loss or damage including without duplication of coverage, at least theft, vandalism, malicious mischief, transit, materials stored off site, collapse, falsework, temporary buildings, debris removal, flood, earthquake, testing, and damage resulting from defective design, workmanship or materials. The Contractor shall increase limits of coverage, if necessary, to reflect estimated replacement cost. The insurance shall be written without a co-insurance clause.

C. Any insurance carried by the Town, its officers, its employees, or its consultants shall be excess and not contributory insurance to that provided by Contractor. Contractor shall be solely responsible for any deductible losses under any policy of insurance required by this Section 6.03.

D. Contractor shall provide to the Town a certificate of insurance as evidence that policies providing the required coverages, conditions, and minimum limits are in full force and effect. The certificate shall identify this Contract and shall provide that the coverages afforded under the policies shall not be cancelled, terminated or materially changed until at least thirty (30) days prior written notice has been given to the Town. The Town reserves the right to request and receive a certified copy of any policy and any endorsement thereto.

#### **6.04 PERFORMANCE AND PAYMENT BONDS:**

Contractor shall furnish a Performance Bond and a Payment Bond, each in the full amount of the Contract Price, as security for the faithful performance and payment of all Contractor's obligations under the Contract Documents, including the warranty. These bonds shall remain in effect at least until two (2) years after the date of Final Completion.

### **PART 7. PAYMENT**

#### **7.01 PROGRESS PAYMENTS:**

A. The Town shall make periodic progress payments to Contractor within fifteen (15) days following the Project Manager's approval of the Work completed. A progress payment shall be made only after Contractor has submitted an application for a progress payment on a form approved by the Project Manager, and if requested by the Project Manager, Contractor shall submit copies of invoices from subcontractors or supplies and partial waivers executed by each.

B. Progress payments shall be in an amount equal to ninety percent (90%) of the Work actually completed until fifty percent (50%) of the total Work on the Project, as determined by the Project Manager, is completed. Such determination shall include materials and equipment not incorporated in the Work but delivered to the Project Site and suitably stored. After fifty percent (50%) of the total Work is completed, no additional retainage shall be held.

C. If Contractor fails to complete any required Work within the time period agreed between Contractor and the Project Manager, or within any time period set forth in the Contract Documents, as modified or extended, the Town is expressly authorized to withhold any progress payment for such Work until such Work is completed.

D. Whenever Contractor receives payment pursuant to this Contract, Contractor shall make payments to each of its Subcontractors of any amounts actually received that were included in Contractor's request for payment to Town for such subcontracts. Contractor shall make such payments within fifteen (15) days of receipt of payment from Town in the same manner as Town is required to pay Contractor pursuant to the Contract Documents if the Subcontractor is satisfactorily performing under its contract with Contractor. Nothing in this paragraph shall be construed to affect the retention provisions of the Contract Documents.

**7.02 FINAL PAYMENT:**

Upon final acceptance of the Project, the Town shall pay the Contractor the remainder of the Contract Price theretofore unpaid. Notwithstanding any other part of this Section, the Contractor agrees that the Town shall, when required by C.R.S. § 38-26-107(1), publish a “notice of final payment” in a legal Summit County newspaper prior to making final payment to the Contractor. This notice of final payment advertises the date, time, and place when final payment will be made and is intended to alert subcontractors so they can present any claims for unpaid amounts to the Town. The final payment procedure typically delays the final payment made to the Contractor of the retainage amount.

Regardless of whether “notice of final payment” is required by state statute, final payment shall not be made to the Contractor until the Town has complied with all applicable requirements of C.R.S. § 38-26-107 and all claims, if any, have been resolved to the satisfaction of the Town.

**7.03 LIQUIDATED DAMAGES:**

A. Because time is of the essence and delayed performance constitutes a compensable inconvenience to the Town and its residents, the liquidated damages established in this Section shall be enforced. Such damages are not a penalty. For each day Final Completion is delayed after the Final Completion date stated in the Construction Agreement, as modified through approved change orders, Contractor shall be assessed the following amounts:

<b>Contract Price</b>	<b>Amount per day</b>
\$0-\$50,000	\$350
\$50,000-\$100,000	\$380
\$100,000-\$250,000	\$440
\$250,000-\$500,000	\$520
\$500,000-\$1,000,000	\$640
\$1,000,000-\$2,000,000	\$820
\$2,000,000-\$4,000,000	\$1,080
\$4,000,000-\$8,000,000	\$1,450
\$8,000,000-\$12,000,000	\$1,820
\$12,000,000 or greater	\$2,250

B. Allowing Contractor to continue and finish the Work or any part thereof after the Final Completion date shall not operate as a waiver on the part of the Town of any of its rights under

the Contract Documents. Any liquidated damages assessed shall not relieve Contractor from liability for any damages or costs of other contractors caused by a failure of Contractor to complete the Work in the Contract Time. Liquidated damages may be deducted from any payment due Contractor or the retainage. If the liquidated damages exceed the amount owed to Contractor, Contractor shall reimburse the Town.

**7.04 ORAL AGREEMENTS PROHIBITED:**

This Contract is expressly subject to the provisions of C.R.S. § 29-1-110(1), and Contractor acknowledges that neither the Town nor any employee or agent thereof is authorized to expend or contract for the expenditure of any monies in excess of those appropriated by the Frisco Town Council. The Town acknowledges and agrees that sufficient funds have been appropriated to pay the Contract Price, but Contractor shall not rely upon the appropriation of any monies or other funds in addition to those already appropriated unless and until the same are lawfully appropriated by the Frisco Town Council.

**7.05 ITEMS NOT INCLUDED IN BID:**

No additional compensation shall be paid for any costs or services listed in the Contract Documents but not specifically listed in the Bid as a Bid item.

**7.06 CHANGES IN QUANTITY:**

- A. Except as provided in Section 7.07, the unit Bid price shown in the Bid Schedule shall be used to determine the payment owed Contractor for any changes in quantity.
- B. The actual quantity placed, as determined by the Project Manager, shall be used to calculate the payment due to Contractor.
- C. Prior to any Work being performed in excess of any of the Bid Schedule quantities, Contractor shall notify the Town, in writing, of every quantity that will exceed one hundred five percent (105%) of the quantity listed on the Bid Schedule.
- D. Except as provided in Section 7.08, Contractor shall not be entitled to compensation for any increased expense, loss of expected reimbursement or loss of anticipated profits, directly or indirectly caused by any changes in quantity.

**7.07 BID PRICE ADJUSTMENTS:**

- A. When a major item is increased to more than one hundred twenty five percent (125%) or decreased below seventy five percent (75%) of the original quantity stated on the Bid Schedule, the unit Bid price shall be modified by written change order. Payment for major items shall be calculated by multiplying the actual quantity placed by the modified Bid price.
- B. For purposes of this Section, a major item is any item having a Bid value, determined by multiplying the Bid quantity by the unit Bid price, that exceeds ten percent (10%) of the original Contract Price.

**7.08 ELIMINATED ITEMS:**

Should any items contained in the Bid Schedule be found unnecessary for completion of the Work, the items shall be eliminated. The Contract Price shall be modified through written change order, and the amount of the change order shall be the eliminated quantity multiplied by

the unit Bid price stated in the Bid Schedule, minus any reasonable costs incurred by Contractor for the eliminated items. Reasonable costs shall be determined by the Project Manager based on information provided by Contractor, and may include mobilization of eliminated materials and equipment mobilization costs, if the sole purpose of the equipment was to place the eliminated material. In no case shall the costs exceed the amount of the eliminated items.

**7.09 MATERIALS STORED BUT NOT INCORPORATED:**

Payments may be made to Contractor for materials stored on the Project site(s) but not incorporated into the Work as evidenced by invoices or cost analyses of material produced, if the material has been fabricated or processed and is ready for installation into the Project and conforms with the Contract Documents. Payments shall not exceed eighty-five percent (85%) of the price shown in the Bid Schedule or one hundred percent (100%) of the certified invoice cost of the stockpiled material, whichever is less. Payment for stockpiled materials shall not relieve Contractor of responsibility for loss or damage to the material. Payment for living plant materials or perishable materials shall not be made until the living or perishable material is made an integral part of the finished Work.

**7.10 COST RECORDS:**

Contractor shall make cost records available to the Town if the Town deems it necessary to determine the validity and amount of any item claimed.

**PART 8. MISCELLANEOUS**

**8.01 PUBLICATIONS:**

Any and all publications relating to the Project and authored by Contractor or any of its subcontractors shall be submitted to the Town for its prior written approval of the content of the publication. If the Town disapproves of the content of the publication, the author shall withdraw it from publication. The term "publication" as used herein shall include articles or letters to be published in any newspaper, magazine, trade journal or other periodical.

**8.02 CONFIDENTIALITY:**

Any and all reports, information, data, statistics, forms, designs, plans, procedures, systems, studies and any other communication form of knowledge given to or prepared or assembled by Contractor under this Contract shall, to the extent authorized and permitted by law, be kept as confidential and not be made available by Contractor to any individual, company or organization without the prior written consent of the Town. Notwithstanding the foregoing, Contractor shall not be restricted from releasing information in response to a subpoena, court order, or legal process, but Contractor shall notify the Town in writing before responding.

**8.03 INDEPENDENT CONTRACTOR:**

Contractor, for all purposes arising out of this Contract, is an independent contractor and not an employee of the Town. It is expressly understood and agreed that Contractor shall not be entitled to any benefits to which the Town's employees are entitled, such as overtime, retirement benefits, worker's compensation, injury leave or other leave benefits.

#### **8.04 CONFLICTS:**

Should any conflict arise in the Contract Documents, the order of precedence is as follows:

1. Construction Agreement.
2. Special Conditions.
3. General Conditions.
4. Supplemental Specifications.
5. Detailed Plans (Calculated dimensions will govern over scaled dimensions).
6. Standard Plans (Calculated dimensions will govern over scaled dimensions).

hereinafter referred to as "the Surety", are held and firmly bond unto the Town of Frisco, Colorado, a municipal corporation hereinafter referred to as "the Owner", in the amount of \_\_\_\_\_ Dollars in lawful money of the United States, for the payment of which sum well and truly to be made, we bind ourselves, successors and assigns, jointly and severally, firmly by these presents.

THE CONDITIONS OF THIS OBLIGATION are such that whereas the Principal entered into a certain Construction Agreement with the Owner, dated the \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, for the performance of certain Work (the "Construction Contract"), which is by reference made a part hereof,

NOW, THEREFORE, if the Principal shall well, truly and faithfully perform its duties, all the undertakings, covenants, terms, conditions and agreements of said Agreement during the original term thereof, and any extensions thereof which may be granted by the Owner, with or without Notice to the Surety and during the life of the guaranty period, and if shall satisfy all claims and demands incurred under such Agreement, and shall fully indemnify and save harmless the Owner from all cost and damages which it may suffer by reason of failure to do so, and shall reimburse and repay the Owner all outlay and expense which the Owner may incur in making good any default, and then this obligation shall be void;

Otherwise the Principal and Surety shall have the following obligations:

1. If Owner is not in Default under the Construction Contract, Surety's obligation under this Bond shall arise after:

1.1 Owner has notified Principal and Surety at its address listed herein that Owner by seven days' written notice intends to terminate the services of Principal or otherwise declare Principal to be in default of its obligations under the Construction Contract; and

1.2 Owner has declared Principal to be in Default and formally terminated Principal's right to complete the Construction Contract; and

1.3 Owner has agreed to pay the Unpaid Balance of the Contract Price to Surety in accordance with the terms of the Construction Contract or to a Principal selected to perform the Construction Contract in accordance with the terms of the Construction Contract with Owner.

2. When Owner has satisfied the conditions of paragraph 1, Surety shall promptly and at Surety's expense take one of the following actions:

2.1 Arrange for Principal, with consent of the Owner, to perform and complete the Construction Contract; or

2.2 Undertake to perform and complete the Construction Contract itself, through its agents or through independent Principals; or

2.3 Obtain bids or negotiated proposals from qualified Principals acceptable to Owner for a contract for performance and completion of the Construction Contract, arrange for a contract to be prepared for execution by Owner and the Principal selected with Owner's concurrence, to be secured with the performance and payment bonds executed by a qualified Surety equivalent to the Bonds issued on the Construction Contract, and pay to Owner the amount of damages as described in paragraph 4 in excess of the Unpaid Balance of the Contract Price incurred by Owner resulting from the Principal's Default; or

2.4 Waive its right to perform and complete, arrange for completion, or obtain a new Principal and with reasonable promptness under the circumstances, after investigation, determine the amount for which it is liable to Owner and, as soon as practicable after the amount is determined and approved by Owner, tender payment therefor to Owner.

3. If Surety does not proceed as provided in paragraph 2 with reasonable promptness, Surety shall be deemed to be in default on this Bond 15 days after receipt of an additional written notice from Owner to Surety demanding that Surety perform its obligations under this Bond, and Owner shall be entitled to enforce any remedy available to Owner. If Surety proceeds as provided in subparagraph 2.4 and Owner refuses the payment tendered or Surety has denied liability, in whole or in part, without further notice, Owner shall be entitled to enforce any remedy available to Owner.

4. After Owner has terminated Principal's right to complete the Construction Contract, and if Surety elects to act under subparagraph 2.1, 2.2, or 2.3 above, then the responsibilities of Surety to Owner shall not be greater than those of Principal under the Construction Contract, and the responsibilities of Owner to Surety shall not be greater than those of Owner under the Construction Contract. To the limit of the amount of this Bond, but subject to commitment by Owner of the unpaid balance of the Contract Price and to mitigation of costs and damages on the Construction Contract, Surety is obligated without duplication for:

4.1 The responsibilities of Principal for correction of defective work and completion of the Construction Contract; and

4.2 Additional legal, design professional and delay costs resulting from Principal's Default, and resulting from the actions or failure to act of Surety under paragraph 2; and

4.3 Liquidated damages, or if no liquidated damages are specified in the Construction Contract, actual damages caused by delayed performance or non-performance of Principal.

5. Surety hereby waives notice of any change, including changes to the Construction Contract or to related subcontracts, purchase orders and other obligations.

6. Any proceeding, legal or equitable, under this Bond may be instituted in any court of competent jurisdiction in the location in which the Work or part of the Work is located and shall be instituted within two years after Owner declares Principal to be in default or within two years after Principal ceased working or within two years after Surety refuses or fails to perform its obligations under this Bond, whichever occurs first. If the provisions of this paragraph are void or prohibited by law, the minimum period of limitation available to Sureties in the State of Colorado shall be applicable.
