

# RAPID REVIEW JOINT APPLICATION

**General Explanation:**

In an effort to ease the paperwork and review period of minor projects, Frisco Community Development has established the Rapid Review Joint Application form. A Rapid Review Joint Application shall not be used for structural changes to the building footprint or height. The Rapid Review Joint Application is submitted and circulated to both Planning and Building Divisions when applicable. These applications are typically reviewed during our **Rapid Review Wednesdays, 8-10 a.m.** Permits submitted during this time may be reviewed and potentially approved over the counter. Applications are administratively reviewed and approval is required. **Credit Cards are accepted on all permits in the chart below.**
