RE: FRISCO BROADBAND STRATEGY

DATE: FEBRUARY 11, 2020

<u>Summary and Background:</u> In late 2019, Town Council requested a work session to discuss possible future strategies for broadband in Frisco. Recent discussion of a dig-once policy, future significant road work and the recent completion of Project Thor's fiber "Meet Me Center Host" point at County Commons create an ideal time to strategize around broadband for Frisco. Through Project THOR, the Northwest Colorado Council of Governments (NWCCOG) has a goal to deliver abundant, reliable and lower cost broadband access to local internet service providers, participating state and local governments, schools, libraries, and healthcare and public safety facilities, and has a continued commitment to working with Frisco to achieve this goal here.

Currently, internet service in Frisco is supplied via Digital Subscriber Line (DSL), satellite, copper, or coaxial cable. The average download speed is 19.7 Megabits per second (Mbps) and average upload speeds are at about 6 Mbps across four possible providers. Xfinity reports that they can ramp up to 1,000 Megabits of download speed and 35 Megabits of upload speed via coaxial cable with costs of \$500+ dollars a month. Upload speeds are of particular interest and have the most significant impact on industries and businesses, which require particularly fast upload speeds to communicate large amounts of data.

Satellite slowest	25 Mbps	3 Mbps	It is widely available, but offers slower speeds due to a far-traveling signal.
DSL low- range	89 Mbps	6 Mbps	Provides internet service via phone cables and is up to ten times faster than dial-up service.
Cable high-range	89 Mbps	6 Mbps	Provides internet speeds faster than DSL through the same cables used for cable TV.
Fiber fastest	761 Mbps	741 Mbps	Fiber relies on glass strands to relay digital code and is much faster than both DSL and cable.

<u>Analysis:</u> Future road and project construction in Frisco is providing an ideal opportunity to lay conduit and fiber (fiber does not need to be installed concurrently) without incurring the additional cost of excavation and road repair. It also mitigates further inconvenience to residents and businesses. By taking advantage of and connecting to the "Meet Me Center Host" point at County Commons, the Town of Frisco would be able to meet the needs of Frisco into the foreseeable future.

Project Thor staff has recommended that the Town strategize to bring fiber from County Commons to Frisco Town Hall, where a broadband utility could be established by the Town. Maintenance of fiber and distribution of broadband would be the responsibility of the Town, but could be contracted to a third party. Companies, which use publicly owned broadband networks, like those supported by Project Thor, to take broadband the "last mile" to consumers are being used in small communities like Kremmling and Eagle to provide better and more affordable broadband access to residents and businesses. In the absence of high returns on investment for companies, smaller communities are more regularly taking on the "middle mile" broadband infrastructure, which can then be leased and utilized by for profit companies to provide affordable service.

The Colorado Department of Local Affairs (DOLA) provides grant opportunities for planning broadband networks (25% local match) and for "middle mile" infrastructure (50% local match). A planning grant would potentially lay out Frisco's broadband future, and "middle mile" infrastructure grants would potentially support Frisco's ability to get fiber from County Commons to Town Hall and other town facilities.

- The Gap Project could allow the Town to lay conduit and fiber on Highway 9 from Peak One Drive/Recreation Way to Main Street, over the course of two summers. NWCCOG has extensive experience working with the Colorado Department of Transportation (CDOT) and has offered support and resources to Frisco.
- The Granite Street Project could bring conduit and fiber to within a block of Frisco Town Hall.
- Proposed pathway improvements from the pedestrian tunnel to the Adventure Park Day Lodge area could provide an opportunity to bring conduit and fiber into Town buildings at the Adventure Park.
- Ongoing Marina improvements could also provide opportunities to lay conduit and fiber to more Town facilities.
- Summit School District has expressed an interest in bringing conduit and fiber to the Middle School, and a partnership around this could also serve the Public Works' building. The schools and libraries universal service support program, commonly known as the E-rate program, is a funding mechanism available under the direction of the Federal Communications Commission to help schools and libraries obtain affordable broadband. Along with a DOLA grant, this may be a viable strategy for bringing broadband north past Main Street on Summit Boulevard.

<u>Financial Impact:</u> It is approximately \$34.53 per foot to install fiber and three conduits (for future growth/lease potential). This ballpark figure was provided by Project Thor staff.

For example, it is about 2,700 feet on Highway 9 from Recreation Way/Peak One Drive to Water Dance (first phase of the Gap Project) and another 2,700 feet on Highway 9 from Water Dance to Main Street (2<sup>nd</sup> phase of the Gap Project). This means that these two stretches would be about \$93,231 **each**. This includes engineering, permitting, labor to lay conduit and fiber, and three conduits total; extra two are for future growth/lease potential. This does not include any costs for fiber lease/access from Summit County.

This cost would decrease if fiber were not installed in the conduit immediately or if there was a decision made to install fewer conduits. Conduit is about \$.80 a length foot and fiber is about \$3 a length foot. Also, the Town would pursue grants whenever possible for any broadband infrastructure or planning projects.

<u>Alignment with Strategic Plan:</u> A strategy to bring broadband to Frisco supports Town Council's goal for a thriving economy and inclusive community.

**Staff Recommendation:** Staff is seeking direction from council on the following questions:

- Should staff work on a budget for a Frisco broadband strategic planning process to begin in 2021?
- Should staff work on incorporating conduit and fiber in the first phase of the Gap Project happening in the summer of 2020? This would involve immediate planning with CDOT and an out of budget cycle ask for resources.
- Should staff budget for conduit and fiber install on the second phase of the Gap Project happening in the summer of 2021?

<u>Reviews and Approvals:</u> Bonnie Moinet, Finance Director – Approved pending Council appropriation of 2020 funding out of budget cycle

RE: COMPREHENSIVE VISION AND PROJECT IMPLEMENTATION PLAN FOR THE PENINSULA

RECREATION AREA (PRA): PRELIMINARY CONCEPT DESIGN PLAN PRESENTED BY LOSE

**DESIGN** 

**DATE:** FEBRUARY 11, 2020

Summary and Background: The Town of Frisco budgeted for a new operations building at the Peninsula Recreation Area (PRA) in 2019, and approved a design/build contract with MW Golden Constructors by Resolution 19-16 on March 26, 2019. The project scope consisted of a 4,000ft² prefabricated metal building to be built out with interior office space and maintenance and storage space. On May 14, 2019, the scope, design, budget and challenges associated with this building were presented to Council. The costs of construction for the building exceeded budgeted amounts. In addition, concerns regarding the site location, current and future programming needs and the lack of a comprehensive vision for the PRA were brought forward and discussed. Council directed staff to pursue a more comprehensive planning effort before building any new amenities at the PRA. The contract with MW Golden Constructors was terminated June 3, 2019, and the Request for Proposals (RFP) for a Comprehensive Vision and Project Implementation Plan for the PRA was issued on June 19, 2019. Staff received five (5) bids for the project and on August 27, 2019, staff recommended and Council supported moving forward with a contract with Lose Design for the Comprehensive Vision and Project Implementation Plan for the PRA.

Staff from Lose Design were on site in Frisco on September 25-26, 2019, to conduct staff and stakeholder interviews at the Frisco Nordic Center. Following these interviews, an Advisory Committee consisting of community members, staff and two Council members (Mayor Pro Tem Mortenson and Council Member Fallon) was formed and two workshops were held with this committee. Bram Barth and Sean Guth with Lose Design worked closely with this Advisory Committee and will present preliminary findings and site concepts to Council at the February 11, 2020, work session.

<u>Analysis:</u> The Comprehensive Vision and Project Implementation Plan for the PRA will detail and map current and future land use allocations for operations, trails, pathways, parking, storage, recreation and services. It will include a specific and prioritized implementation framework for the Town to use over time.

Lose Design has reviewed previous planning efforts developed for the PRA and has taken a holistic approach to develop a preliminary, modest site plan that addresses the following:

- Identifies needs and opportunities at the PRA
- Highlights opportunities for revenue growth at the PRA
- Highlights connectedness between iconic Main Street Frisco and the PRA
- Details the current use and identifies future land use for operations, pathways, parking, storage, recreation programs and services.

The PRA consists of 807 acres, of which 220 acres are owned by the Town. Lose Design has focused on these 220 acres and has taken a thoughtful approach to the project by respecting the open space of the PRA with minimal commercial recommendations. This approach utilizes what is currently built, repurposes some of the buildings and areas, and recommends future growth opportunities on a variety of different sites.

Included in the Council packet are four (4) base concept maps for the PRA. Of particular note:

- The "recreation village" comprised of a centralized gathering space with the Nordic Center, Day Lodge, Administrative Building (new), and Activity Center (new).
- New overlook areas to capture the views of the area.
- A new wedding arbor and event center, both of which are revenue generating opportunities.
- A bypass pathway/new recreation pathway paralleling highway 9.
- Pavilion areas for restrooms, shade and possible rentable spaces.

The PRA is one of two significant revenue sources for the Town, and the opportunities for growth and development in this area are significant. The information presented by Lose Design represents a modest, recreation approach to the PRA that maintains the character of the area. The recommendations in this preliminary plan enhance the community gathering spaces while driving some additional revenue and sustaining the operations.

Staff's request is for Council to review the base concepts presented by Lose Design and provide feedback. Staff also requests Council weigh in on any other opportunities they potentially would like staff and the design team to further explore as part of this planning process. There are additional private sector opportunities that have not been explored as part of this design work at the PRA that staff would like the Council to consider. For example, the opportunity for a private food and beverage operation at the PRA similar to the current F&B concessionaire agreement at the Marina may be an option for further exploration.

<u>Financial Impact:</u> As part of the final plan, Lose Design will provide cost estimates along with phasing options for this plan. The cost estimates are unknown at this time. Sports Facility Advisory (SFA) is working with Lose Design to examine current revenue streams and to develop new funding strategies for this plan.

There is currently \$60,000 in the 2020 capital improvement fund (20-2000-5077) for continued planning efforts at the PRA. One of the goals of the Comprehensive Vision and Project Implementation Plan for the PRA is to determine if the proposed future buildings and amenities are in the appropriate locations for current and future uses. Should Council opt to design and/or construct new facilities at the PRA in 2020, funds would need to be allocated to the project through a budget amendment.

<u>Alignment with Strategic Plan:</u> Vibrant Recreation is one of the strategic priorities for Town Council; this includes evaluating current and future uses of the PRA. Lose Design has evaluated the current facilities, amenities, programs and revenue streams; they have also

Town Council Meeting: February 11, 2020 Lose Design Preliminary Design Presentation Page 3

researched additional opportunities for new revenue streams, futures uses of facilities and have proposed recommendations for short and long term prioritization.

**Environmental Sustainability:** Lose Design and SFA will continue to take a holistic view of the PRA and will evaluate environmentally sustainable opportunities. Staff will continue to encourage decisions be made based on the best interest of our community and the environment.

<u>Staff Recommendation</u>: Staff recommends reviewing the base concept maps that are included in this memo and to review the needs and opportunities identified. Staff also recommends Council discuss additional opportunities at the PRA they would potentially like to see further explored as part of this planning process.

The next step in this planning process is to host a community conversation meeting and invite Town of Frisco residents to review the base concept maps and share their feedback. This is tentatively scheduled for the first weeks in March, pending Council's approval and direction.

Reviews and Approvals: This report has been reviewed and approved by:

Diane McBride, Assistant Town Manager/Recreation Director Bonnie Moinet, Finance Director-Approved Nancy Kerry, Town Manager

100% OF THE FISCAL YEAR H	AS EL ADSED		

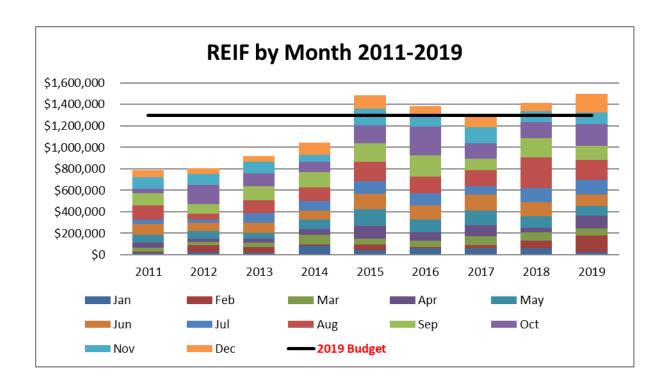

Year-to-date through November is up 6.67% or \$565,108 compared to Y-T-D 2018. The actual year to date dollar amount for November is \$9,033,160 compared to\$8,468,052 for November 2018. For the Month of November total sales tax receipts posted a 10.43% increase over November of 2018, or \$68,634 in actual dollars.

When 12 out of seventeen categories exhibit growth we can assume our economy is doing well. Having ski areas opening earlier than ever this year and great holiday snow falls, there is no question to why our tourism is up. There was also a significant filer in the health and beauty category that dramatically increased returns over 600% from previous years. Other categories showing the highest growth include Vacations, Marijuana, and Office. Staff is very confident that revenue projections will be hit if not exceeded with December returns.

Year-to-date through November is up 4.92% or \$22,051 compared to Y-T-D 2018. The actual year to date dollar amount for November is \$469,984 compared to \$447,933 for November 2018. For the month of November revenues are down \$377 compared to November 2018.

Staff was optimistic by predicting lodging taxes coming in this year with record numbers. The town seemed very busy in December and we also have many short term rental business coming into compliance, with only one month remaining in the year and a strong tourism base we are confident that budget projections will be hit if not exceeded.

Year-to-date through December is up 5.73% or \$81,183 compared to Y-T-D 2018. The actual year-to date dollar amount is \$1,496,897 compared to \$1,415,714 Y-T-D 2018.

Our highest ever real estate investment fees collection year! With record high market prices coupled with one of the best places to live you can see why REIF fees are on the rise. Staff is already optimistic after a strong start to the 2020 year with January sales that we will have another outstanding year.

#### TOWN MANAGER EMPLOYMENT AGREEMENT

THIS TOWN MANAGER EMPLOYMENT AGREEMENT (this "Agreement") is made and entered into this 11th day of February, 2020, by and between the TOWN OF FRISCO, COLORADO, a home rule municipality, hereinafter called the "Town," and Nancy Kerry, hereinafter called "Manager" to be effective as of January 1, 2020.

#### WITNESSETH:

WHEREAS, on or about January 8, 2019, the Town and Manager entered into a Town Manager Employment Agreement (the "Prior Employment Agreement"); and

WHEREAS, the Town and Manager desire to terminate the Prior Employment Agreement and to substitute this Agreement in its place.

NOW THEREFORE, the Town and Manager agree that the Prior Employment Agreement is hereby terminated, and further agree as follows:

# 1.0 Employment and Duties.

- 1.1 Town hereby agrees to employ Manager, and Manager hereby accepts employment, as Town Manager of the Town of Frisco, to perform the functions and duties specified in the Charter of the Town of Frisco and to perform such other legal and proper duties and functions as the Town Council shall assign.
- 1.2 The parties agree that the terms of this Agreement do not supersede the provisions of the Home Rule Charter of the Town of Frisco, and to the extent they do conflict with the Home Rule Charter, the Home Rule Charter shall prevail. The parties also agree that to the extent this Agreement is in conflict with the provisions of the Frisco Town Code or Personnel Code, this Agreement shall prevail.
- 1.3. The Town Manager shall have the authority and responsibility to carry out the duties of the position as generally described in the Home Rule Charter of the Town of Frisco, Title VII, Town Administration. The Town Manager shall keep the Mayor and Town Council informed of proposed changes to organizational operations.

## 2.0 <u>Termination of Employment Agreement and Term of this Agreement.</u>

- 2.1 The term of this Agreement shall commence as of January 1, 2020, and shall continue for an indefinite period, Manager to hold office at the pleasure of a majority of the Town Council, until this Agreement is terminated as provided herein or by mutual agreement of the parties.
- 2.2 Nothing in this Agreement shall prevent, limit or otherwise interfere with the right of the Town Council to terminate the services of Manager at any time and for any

reason, subject only to the provisions set forth in § 3.0, paragraphs 3.1 and 3.3 of this Agreement.

2.4 Nothing in this Agreement shall prevent, limit or otherwise interfere with Manager's right to resign at any time, subject only to the provisions set forth in § 3.0, paragraph 3.4 of this Agreement.

# 3.0 <u>Termination and Severance Pay.</u>

- 3.1 If the Manager's employment is terminated by the Town Council and such termination is during such time as Manager is willing and able to perform the duties of the Town Manager, then in that event the Town agrees to continue payment of salary and all benefits hereunder and pursuant to the Personnel Code for a period of six (6) months from the effective date of termination. Any provision of this paragraph 3.1 notwithstanding, in the event that Manager is terminated for Cause, the Town shall have no obligation for severance benefits or pay as described herein. As used herein, "Cause" shall mean (a) conduct by Manager that is fraudulent or dishonest, (b) Manager's conviction or no-contest plea of any felony or crime involving moral turpitude under any federal or state law, or (c) failure by Manager in any material way to fulfill or comply with her obligations under this Agreement.
- 3.2 Acceptance of severance pay and benefits as described in paragraph 3.1 by Manager shall constitute a release in full by Manager of any and all claims Manager may have against the Town Council of the Town of Frisco, the individual members of the Town Council of the Town of Frisco acting in their official capacity, and the Town of Frisco, as a result of the termination of her employment.
- 3.3 In the event the Town at any time during the employment term reduces the salary or other financial benefits of Manager in a greater percentage than an applicable across the board reduction for all employees of the Town, or in the event that the Town refuses, following written notice, to comply with any other provision benefiting Manager herein, or Manager resigns following a suggestion, whether formal or informal, by the Town Council that she resign, then, in that event, Manager may at her option, be deemed to be terminated without Cause as of the date of such reduction or event.
- 3.4 In the event Manager wishes to resign her position with the Town and remain in good standing, Manager shall give the Town 45 days written notice in advance, unless the parties otherwise agree.
- 3.5 In the event that Manager does not comply with the residency requirement as set forth in the Town Charter and § 14.0 of this Agreement, Manager shall be deemed to be terminated with Cause and the terms of § 14.0 and its paragraphs shall apply.
- 3.6 Manager's employment may be terminated sixty days after Manager becomes totally and permanently disabled. As used herein, "totally and permanently disabled" shall be defined as: (a) if Manager is receiving total permanent disability payments pursuant to any disability program under which she is covered, whether owned by the Town or otherwise; or (b) in the absence of such disability program, if (i) Manager's attending physician certifies that

TOF.TWR.00457 2

Manager is unable to perform her duties as set forth herein for the Town and that such condition is total and permanent; or (ii) in the event that Manager does not timely consult such attending physician and the Town reasonably believes Manager to be so disabled, the Town may obtain such examination from a properly qualified physician who shall conduct such examinations as are appropriate to determine whether or not Manager is so totally and permanently disabled. If Manager is terminated because she is totally and permanently disabled due to an event occurring within the scope of her employment, she shall be entitled to severance pay as provided in paragraph 3.1. If Manager is terminated because she is totally and permanently disabled due to an event occurring outside the scope of her employment, she shall receive no severance benefits or pay.

#### 4.0 Salary.

- 4.1 Town agrees to pay Manager for her services rendered pursuant hereto an annual base salary of One Hundred Fifty-Nine Thousand and Five Hundred Dollars (\$159,500.00), payable in installments at the same time as other employees of the Town are paid.
- 4.2 The Town agrees to consider increases to Manager's annual base salary and/or other benefits in such amounts and to such extent as the Town Council, in its sole discretion, may determine to be desirable on the basis of an annual salary review of Manager. Such review shall occur contemporaneously with Manager's performance review in January of each year. Manager will neither be guaranteed nor limited by any market-adjusted salary increases given to other Town employees.

## 5.0 Full-time Employment and Hours of Work.

- 5.1 It is recognized and understood that Manager must devote additional time outside normal office hours to the business of the Town, and therefore Manager will be allowed to take compensatory time off as she shall deem appropriate provided, however, that such compensatory time shall not adversely affect Manager's job performance or Town activities. No monetary compensation shall be made to Manager for accrued and unused compensatory time.
- 5.2 Manager shall not engage in any non-Town employment activities for compensation without the express written consent of the Town Council. It is the intent of the parties that this Agreement is for full-time employment. Participation in professional organizations and voluntary programs are encouraged provided they are consistent with the responsibilities of the Town Manager for the Town.

#### 6.0 Benefits.

6.1 Except as provided or specifically addressed in this Agreement, Manager shall receive the benefits granted all regular, full-time employees, subject to any limitations or restrictions thereon applicable to all regular, full-time employees, including by illustration only, health, dental, vision, long term disability and life insurance; retirement; sick leave; annual and

TOF.TWR.00491 3

holiday leave; and other group benefit programs extended to employees for their voluntary participation.

- 6.2 Manager will be entitled to accrue and use annual leave in accordance with the Town's Personnel Code, provided, however, that: (i) there shall be added, effective as of the first day of Manager's employment, an additional base of five (5) days of vacation leave time to the vacation leave time that the Manager will earn in accordance with the Town's Personnel Code; and (ii) as of the first day of Manager's employment, Manager shall accrue vacation time as if she had been employed by the Town for five (5) years. Notwithstanding the foregoing, at no time shall the total combined annual vacation leave time to which Manager is entitled exceed the allowed maximum for such time set forth in the Town's Personnel Code.
- 6.3 As of the first day of Manager's employment, the Town shall match Manager's contributions into the Town's retirement plan as if the Manager had been employed by the Town for five (5) years (which is a matching contribution of up to 7% of salary).

# 7.0 <u>Automobile and Cellular Telephone</u>.

The Town will provide a Town vehicle to Manager, with take home privileges, for business use within or outside of Summit County, and for personal use only within the State of Colorado. The Town will provide a cellular telephone to the Manager for Town business, with both voice and data services under the Town's plan.

# 8.0 <u>Manager's Housing</u>.

The parties recognize that housing costs in the Town of Frisco significantly exceed those in most other places in Colorado and the nation. Accordingly, the Town agrees that, during the term of this Agreement, it shall provide to the Manager, pursuant to its standard form of employee housing lease, the residence located at 760 Pitkin Street, Frisco, Colorado, free of charge for rent. Manager agrees that, during the term of this Agreement, she shall lease from the Town, pursuant to the Town's standard form of employee housing lease, the residence located at 760 Pitkin Street, Frisco, Colorado, free of charge for rent. Any provision of the Town's standard form of housing lease notwithstanding, such lease shall terminate forty-five (45) days after the effective date of the Manager's resignation from employment with the Town, whether that separation is the result of Manager's resignation, termination (with or without cause), or otherwise.

## 9.0 <u>Professional Development.</u>

9.1 As limited by the budget and in the sole discretion of the Town Council from time to time, the Town agrees to pay registration, reasonable travel and subsistence expenses for Manager for professional official travel, meetings and occasions adequate to continue Manager's professional development and to attend necessary official and other functions for the Town, including, without limitation, the annual conference and annual membership dues of the International City Management Association, the Colorado Municipal League, the Colorado City and County Managers Association, and other national, regional, state and local government groups and committees of which Manager or the Town is member.

TOF.TWR.00457 4

- 9.2 As limited by the budget and in the sole discretion of the Town Council from time to time, the Town agrees to pay for Manager's reasonable tuition, travel and subsistence for short courses, institutes and seminars that are necessary for Manager's professional development and which are in the best interests of the Town.
- 9.3 As limited by the budget and in the sole discretion of the Town Council from time to time, the Town agrees to pay Manager's reasonable professional dues and subscriptions that are necessary for her continuation and full participation in national, regional, state and local associations and organizations and that are necessary and desirable for her continued professional participation, growth and advancement and which are in the best interests of the Town.

## 10.0 Expenses.

Manager may be required as a condition of employment to incur reasonable and necessary expenses in connection with her duties hereunder. Manager shall be reimbursed by the Town in accordance with the Town's expense reimbursement policy.

## 11.0 Indemnification.

Town shall defend, save harmless, and indemnify Manager against any tort, professional liability claim, or demand or other legal action, whether groundless or otherwise, arising out of an alleged act or omission occurring in the performance of Manager's duties as Town Manager; provided, however, that this indemnification shall not apply to intentional torts, including but not limited to matters such as assault. Town will compromise and settle any such claim or suit and pay the amount of any settlement or judgment rendered thereon.

## 12.0 Evaluation.

Manager's annual review and evaluation shall be for the purpose of setting the Manager's annual work plan and evaluating Manager's performance and compensation. Such review and evaluation shall be in accordance with specific goals, criteria and performance objectives developed jointly by the Town Council and Manager, which they deem necessary to achieve the Town Council's policy objectives, and shall establish the relative priority among the various goals and objectives. These overall performance criteria may be added to or revised by the Town Council periodically, in consultation with Manager. The Town Council shall provide an opportunity for discussion of the results of the evaluation with Manager.

## 13.0 Other Terms and Conditions of Employment.

The Town Council, in consultation with Manager, may fix any such other terms and conditions of employment, as it may determine from time to time, relating to Manager's performance, provided such terms and conditions are not inconsistent with or in conflict with the provisions of this Agreement, the Town Charter or Code, or any other law.

TOF.TWR.00491 5

# 14.0 Residency Requirement.

- 14.1 As set forth in § 7-1(b) of the Frisco Charter, and as a condition of continued employment with the Town of Frisco, Manager shall establish her permanent domicile and residency within the corporate limits of the Town of Frisco. "Permanent residency and domicile within the corporate limits of the Town of Frisco" shall mean that Manager maintains her personal and physical presence at a dwelling place within the Town of Frisco and intends that such dwelling place shall be her fixed and permanent home. The Town Council reserves the right to approve or disapprove a residence outside of the town limits but within a reasonable distance thereof. Any such approval of an alternative residence shall be by ordinance as required by Charter § 7-1(b).
- 14.2 In the event that Manager fails to establish and maintain her permanent domicile and residency as set forth herein, and throughout the term of this Agreement, then Manager shall be immediately terminated with Cause from employment with the Town and this Agreement shall be void. Notwithstanding any provision of this Agreement to the contrary, Manager shall not be entitled to and shall not receive from the Town any benefit of any kind or monetary payment of salary upon termination in accordance with this paragraph 14.2.

# 15.0 Compliance with Colorado Constitution Article X, Section 20.

It is the intent of the Town and Manager to comply with the provisions of Article X, Section 20 of the Constitution of the State of Colorado, including in particular subsection 4(b), as approved by the voters on November 3, 1992. Therefore, the parties agree that this Agreement is subject to an annual appropriation by the Town Council and that the failure to make such appropriation, unless such action is the result of a prior termination for Cause pursuant to paragraph 3.1 hereof, will be deemed a termination without Cause. The parties further agree and acknowledge that the Town has established an adequate present cash reserve pledged irrevocably and held for future payments, if required, in an amount sufficient to pay any severance compensation required under paragraph 3.1 of this Agreement.

## 16.0 General Provisions.

- 16.1 The text herein shall constitute the entire agreement between the parties. This Agreement may be amended only in writing, executed and approved by both parties.
- 16.2 The rights and obligations of the Town under this Agreement shall inure to the benefit of and be binding upon the successors and assigns of the Town. Manager shall not assign or otherwise convey any of her rights and obligations hereunder without the express written permission of the Town, which permission may be withheld in the Town's sole and absolute discretion.
- 16.3 If any provision, or any portion thereof, contained in this Agreement is held to be unconstitutional, invalid, unenforceable or void, the remainder of this Agreement, or any portion thereof, shall be deemed severable, shall not be affected, and shall remain in full force and effect.

TOF.TWR.00457

IN WITNESS WHEREOF the Town of Frisco, Colorado has caused this Agreement to be signed and executed on its behalf by its Mayor, and duly attested by its Town Clerk, and Manager has signed and executed this Agreement, both in duplicate, the date and year first above written.

#### **M**EMORANDUM

P.O. Box 4100 ◆ Frisco, Colorado 80443

To: MAYOR AND TOWN COUNCIL

FROM: JEFF GOBLE, PUBLIC WORKS DIRECTOR

RE: RESOLUTION 20-09 CLEAN ENERGY COLLECTIVE, COMMUNITY SOLAR CONTRACT

DATE: FEBRUARY 11, 2020

<u>Summary and Background:</u> As part of the Council's Strategic Plan to reach Net Zero emissions and desire to utilize renewable energy whenever possible, staff was instructed to investigate and find efficient and cost effective methods to help achieve this goal. Staff has determined that one method is participation in a Community Solar Garden program such as the one being presented here.

During the January 28, 2020 Council Worksession, staff was directed to bring a contract with option 2 outlined in the contract. That contract and resolution is now before Council in the consent agenda.

<u>Analysis:</u> Working with Clean Energy Collective (CEC), staff has determined that participating in their proposed solar array project that will be coming on-line in early summer of 2020 will be a beneficial first step in achieving the Net Zero goal. The CEC program requires no down payment or up-front costs and the Town will realize savings on our Xcel Energy bills from the first month after the array is connected to Xcel's grid.

Along with the savings the Town will realize, there is the added benefit of not having to alter existing structures or having the ongoing costs of maintenance and repair or replacement of panels.

We looked at two options for this program and they are briefly described below:

Option 1 – PPA style contract – This option allows for fluctuation in savings the Town would realize based on Xcel's rates each year. This option could provide higher potential savings if over the 20 year period Xcel's rates increase. However, if rates dip, which they have a couple times over the last 5 years, the Town could end up paying more for the credits than we would have for the electricity.

Option 2 – Fixed 5% Credit – This option fixes the credits at 5% over the entire 20 year period regardless of fluctuations in Xcel's rates. While this option can be less lucrative than option 1, there is no downside risk as we are guaranteed to receive 5% credit over the life of the contract.

<u>Financial Impact:</u> There is no up-front or ongoing maintenance costs associated with this and if Council selects option 2 the Town will realize guaranteed savings on its SG class electric bills. Should Council select option 1, there will still be no up-front or maintenance costs but depending on Xcel rate fluctuations it is possible the Town could pay more for the credits that the electricity.

<u>Alignment with Strategic Plan:</u> This Community Solar Project aligns with the Council's top priority of achieving net zero emissions and dedication to renewable energy sources as outlined in the Sustainable Environment section of the Strategic Plan.

<u>Staff Recommendation:</u> Staff recommends that Council approve Resolution 20-09 and enter into a contract with Clean Energy Collective to participate in the Community Solar program.

# TOWN OF FRISCO COUNTY OF SUMMIT STATE OF COLORADO RESOLUTION 20-09

A RESOLUTION FOR ENTERING INTO A CONTRACT FOR PARTICIPATION IN MOUNTAIN COMMUNITY SOLAR 1, LLC COMMUNITY SOLAR GARDEN PROJECT

WHEREAS, the Town Council has determined that participating in a Community Solar Garden project will further the Councils goal of reaching Net Zero carbon emissions; and

WHEREAS, the Town Council has determined that participating in a Community Solar Garden project is aligned with the Sustainable Environment section of the Strategic Plan; and

WHEREAS, the Town Council has determined that the staff recommendation for the award of the above stated contract for a twenty (20) year term and a return of 5% via monthly electrical billing credits, over the full term of the contract, will provide the best value to the Town.

NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF FRISCO, COLORADO THAT:

The Mayor and Town Clerk are hereby authorized to execute any and all documents necessary to enter into a contract of participation for a Community Solar Garden project with Mountain Community Solar 1, LLC.

INTRODUCED, READ, AND ADOPTED BY THE TOWN COUNCIL OF THE TOWN OF FRISCO, COLORADO THIS  $11^{\text{TH}}$  DAY OF FEBRUARY, 2020.

TOWN OF FRISCO:

#### COMMUNITY SOLAR SUBSCRIPTION AGREEMENT

This Community Solar Subscription Agreement (the "Agreement") is entered into as of February 11, 2020 (the "Effective Date") and is by and between Mountain Community Solar 1, LLC, a Colorado limited liability company ("Company"), and Town of Frisco, a Colorado Home Rule Municipality ("Customer"). In this Agreement, Company and Customer are sometimes referred to individually as a "Party" and collectively as the "Parties."

#### RECITALS

- **WHEREAS**, Company is in the business of financing, developing, owning, operating and maintaining solar electric generation facilities.
- **WHEREAS**, Customer is a Colorado municipality, county, school district, special district or other political subdivision.
- **WHEREAS**, Company has offered to provide to Customer under this Agreement a means of procuring low-cost electrical energy as utility cost-savings measures under C.R.S. 29-12.5-101 et seq.
- WHEREAS, the Board (as defined below) has received the analysis and recommendations concerning such utility cost-savings measure from a person experienced in the design and implementation of utility cost-savings measure.
- WHEREAS, Customer is an active electric account holder with the utility listed on Appendix A (the "*Utility*") serving the Utility Service Location (as defined below), and Customer desires to participate in the Solar Rewards Community Service Program (the "*Program*"), as further defined in Section 1 below.
- WHEREAS, Company has constructed or intends to construct a Community Solar Garden (as defined in the Community Solar Garden Regulations (as defined below)) at the facility location set forth in Appendix A (the "Facility"). Company will interconnect the Facility with the Utility pursuant to the terms of the Tariff (as defined below), generator interconnection agreement, any other applicable tariff, or other agreements required to be executed with the Utility (collectively, the "ICA") pursuant to which Company or its Affiliate will deliver power generated at the Facility to the Utility. The Utility will provide Bill Credits (as defined below) to Customer as set forth in the Program and as directed by Company or its Affiliate.
- **WHEREAS**, Customer wishes to subscribe to a portion of the electric generating capacity of the Facility (such portion, the "*Solar Interest*") during the Term (as defined below) in order to receive Bill Credits from the Utility, subject to the terms and conditions, and at the prices, set forth in this Agreement.
- **WHEREAS**, the Board has found pursuant to C.R.S. 29-12.5-103 that the amount of money the Customer would spend on such utility cost-savings measure is not likely to exceed the amount of money the Customer would save in energy costs over the term of this Agreement.

WHEREAS, the Board has found that the obligations entered into by the Customer under this Agreement shall not cause the total outstanding indebtedness incurred by the Customer under C.R.S. 29-12.5-103 to exceed the applicable limit set forth in C.R.S. 29-12.5-103(2)(b).

**NOW**, **THEREFORE**, in consideration of the foregoing recitals, the mutual promises, representations, warranties, covenants, conditions herein contained, and the appendices attached hereto, Company and Customer agree as follows:

#### 1 **DEFINITIONS**

When used in this Agreement, the following terms shall have the meanings given below, unless a different meaning is expressed or clearly indicated by the context. Words defined in this Article 1 which are capitalized shall be given their common and ordinary meanings when they appear without capitalization in the text. Words not defined in this Article 1 or elsewhere in this Agreement shall be given their common and ordinary meanings.

"Affiliate" means any person or entity that directly, or indirectly through one or more intermediaries, controls or is controlled by or partnered with, or is under common control with the person or entity specified.

"Applicable Legal Requirements" means any present and future law, act, rule, requirement, order, by-law, ordinance, regulation, judgment, decree, or injunction of or by any Governmental Authority, ordinary or extraordinary, foreseen or unforeseen, and all licenses, permits, and other governmental consents, which may at any time be applicable to a Party's rights and obligations hereunder, including, without limitation, the construction, operation, and ownership of the Facility, as well as the Bill Credits distributed pursuant to the Program.

"Bill Credits" means the Solar Rewards Community Service Credit (as defined under the Community Solar Garden Regulations) that is the monthly amount paid by the Utility to the Customer as a credit on the Customer's retail electric service bill to compensate the Customer for its beneficial share of photovoltaic energy produced by the Facility and delivered to the Utility as calculated pursuant to Section 3.3 which are based upon the Customer's Solar Output pursuant to the terms of this Agreement. The value of the Bill Credit will appear as a line-item credit, and offset charges, on Customer's Utility bill.

"Bill Credit Payment" means the monthly amount due from Customer to Company under this Agreement as calculated pursuant to Section 5.1.

"Bill Credit Rate" means the applicable rate for the Customer's class and subclass as determined under the rate schedule in the Tariff in effect at the time of energy generation (in \$/kWh) as may be periodically revised by the Utility based upon variations in the Utility's retail rate from time to time.

"Board" means the governing body of the above referenced Customer.

"Commercial Operations Date" means the date on which the Facility (i) generates electric energy on a commercial basis, and (ii) is interconnected to the local electrical

distribution system and has been authorized by the Utility. Such date shall be specified by Company either in Appendix A, or by a separate notice provided to Customer pursuant to Section 2.2.

"Commission" means the Colorado Public Utilities Commission.

"Community Solar Garden Regulations" means the Colorado statute C.R.S § 40-2-127; Commission rules governing Community Solar Gardens (Commission Rule 3650-3668); Utility rules and regulations on file with the Commission, as each may be amended from time to time.

"Customer's Capacity" means the amount of capacity Customer has subscribed to under this Agreement expressed in terms of kW as set forth in Appendix A and shall be updated after the Commercial Operations Date. Customer's Capacity shall include the Initial Capacity plus any increases or decreases made by Company (Current Capacity), if any, pursuant to Section 3.1.

"Customer's Solar Output" means the portion of the Facility's production allocable to Customer as determined in accordance with Section 3.2.

"Customer's Portion" means the Customer's Capacity expressed as a percentage of the total nameplate capacity of the Facility. The Customer's Portion in this Agreement is set forth in Section 3.1.

"Eligibility Period" means the period commencing on the Eligibility Date (as defined below) through the termination of this Agreement.

"Environmental Attributes" means any credit, benefit, reduction, offset, financial incentive, and other beneficial allowance that is in effect as of the Effective Date or may come into effect in the future, including, to the extent applicable and without limitation, (i) all environmental and renewable energy attributes and credits of any kind and nature resulting from or associated with the Facility, its production capacity and/or electricity generation, (ii) government financial incentives, (iii) greenhouse gas offsets under the Regional Greenhouse Gas Initiative, (iv) renewable energy credits, renewable generation attributes, or renewable energy certificates (each referred to as "RECs") or any similar certificates or credits under the laws of any jurisdiction, including, without limitation, solar RECs, and (v) other allowances howsoever named or referred to, with respect to any and all fuel, emissions, air quality, or other environmental characteristics, resulting from the use of solar energy generation or the avoidance of the emission of any gas, chemical or other substance into the air, soil or water attributable to the Facility, its production capacity and/or electricity generation. For the avoidance of doubt, the term Environmental Attributes does not include Bill Credits as defined pursuant to this Agreement.

"Estimated Initial Annual Customer's Solar Output" means the Customer's Solar Output estimated to occur during the twelve (12) month period following the Commercial Operations Date.

"Facility Meter" means Company's electric meter located at the Facility and used to

measure the solar electricity generated at the Facility for purposes of determining the Bill Credit Payment, if the Utility Meter is unavailable.

- "Facility Solar Output" means the amount of solar electricity generated during the Production Month at the Facility and delivered to the Utility Meter.
- "Fixed Bill Credit Rate" means the applicable retail rate for the Customer's class and subclass as determined under the rate schedule in the Tariff in effect at the time of energy generation (in \$/kWh) as may be periodically revised by the Utility based upon variations in the Utility's retail rate from time to time.
- "Force Majeure Event" means any event or circumstance not within the reasonable control of Company which precludes Company from carrying out, in whole or in part, its obligations under this Agreement, including, without limitation, Acts of God, hurricanes or tornados, fires, epidemics, landslides, earthquakes, floods, other natural catastrophes, strikes, lock outs or other industrial disturbances. Notwithstanding the contrary, economic hardship or unavailability of funds shall not constitute a Force Majeure Event.
- "Governmental Authority" means (i) any federal, state or local government, any political subdivision thereof or any other governmental, judicial, regulatory, public or statutory instrumentality, authority, body, agency, department, bureau, or entity, (ii) any independent system operator or regional transmission owner or operator, and (iii) any transmission or distribution entity providing net metering, distribution or transmission services to the Facility, including the Utility.

"kW" means kilowatt DC.

"*kWh*" means kilowatt hour AC.

- "Lender" means the entity or person(s) directly or indirectly providing financing to Company in connection with the Facility.
- "Membership Information List" means the form Company files with the Utility to inform the Utility of what percentage of the Facility Solar Output each customer is entitled to in the form of Bill Credits. Company shall update the Membership Information List from time to time as allowed under the Community Solar Garden Regulations and Tariff.
- "*Production Month*" means a monthly period during which solar electricity is generated at the Facility and delivered to the Utility Meter.
- "*Program*" means the Solar Rewards Community Service Program offered by the Utility pursuant to the Tariff, the Community Solar Garden Regulations, and requirements of the ICA which may at any time be applicable to a Party's rights and obligations hereunder, each as may be amended from time to time.
- "Replacement Customer" means a customer of the Utility that is eligible to participate in the Program and is acceptable to Company in Company's sole discretion that takes over Customer's Capacity

"*Tariff*" means the Utility's Colorado PUC No. 8 Tariff, Schedule of Solar Rewards Community Service that is approved by the Commission and any other appropriate jurisdictional regulatory bodies, as may be amended from time to time.

"Tax Incentives" means any tax credits, incentives or depreciation allowances established under any federal or state law, including, without limitation, investment tax credits (including any grants or payments in lieu thereof) and any tax deductions or other benefits under the Internal Revenue Code or applicable federal, state, or local law available as a result of the ownership and operation of the Facility or the output generated by the Facility (including, without limitation, tax credits (including any grants or payments in lieu thereof) and accelerated, bonus or other depreciation).

"Utility Meter" means the Utility account meter located at the Facility and used by the Utility to measure the energy delivered by the Facility to the Utility.

"Utility Service Location" means the location at which Customer receives electrical service from the Utility. The Utility Service Location is specified in Appendix A hereto, and is subject to change in accordance with the terms and conditions of Section 7.

#### 2 TERM

- 2.1 <u>Term.</u> The term of this Agreement (the "*Term*") shall commence on the Effective Date and terminate twenty (20) years from the Facility's Commercial Operations Date unless earlier terminated in accordance with this Agreement, in which case the Term shall expire on the effective date of such termination.
- 2.2 <u>Initial Accrual of Bill Credits</u>. Customer shall begin to accrue Bill Credits in accordance with the terms of this Agreement on the date by which all of the following shall have occurred (the "*Eligibility Date*"): (i) the Commercial Operations Date, (ii) the Facility has qualified as a Community Solar Garden, (iii) Customer has been added to the Membership Information List, and (iii) the Utility has accepted the Membership Information List with such Customer information included. If the Commercial Operations Date is not known by the Effective Date, Company will provide Customer with notice of the Commercial Operations Date once known. Appendix A will be updated after the Commercial Operations Date with the Commercial Operations Date, the Facility location, the Facility's total nameplate capacity, the Customer's Capacity, the Customer's Portion, and the Estimated Initial Annual Customer's Solar Output. Such updated Appendix A shall be added to this Agreement without the need for additional consent or signature of the Parties.

#### 3 CUSTOMER'S SUBSCRIPTION

3.1 <u>Capacity</u>. Commencing on the Eligibility Date and continuing throughout the Eligibility Period, Customer shall subscribe to 20 % of the nameplate capacity of the Facility (the "*Customer's Portion*"). The initial Customer's Portion expressed in terms of kW capacity is referred to as the "*Initial Capacity*." The Company shall update Appendix A with the exact Initial Capacity in kW within thirty (30) days of the Commercial Operations Date of the Facility. Company may increase or decrease the

- Customer's Capacity at any time by providing written notice and an updated Appendix A to Customer, if such increase does not violate the Program Limitation in Section 4.1 (the "*Current Capacity*"). Company may not decrease Customer's Capacity below the Initial Capacity unless otherwise pursuant the terms to this Agreement.
- 3.2 <u>Determination of Solar Output</u>. Customer acknowledges the measurement of Facility Solar Output shall be based upon readings at the Utility Meter. If readings from the Utility Meter are unavailable, the Company shall base the measurement of the Facility Solar Output from the Facility Meter. Each month during the Eligibility Period of this Agreement, for as long as the Customer is in compliance with the requirements of this Agreement, the Program and the Utility, the Utility will record the amount of solar electricity generated that month at the Facility and delivered to the Utility Meter (the "Facility Solar Output"). The Utility will then multiply the Facility Solar Output by Customer's Portion to arrive at the "Customer Solar Output" for that month in kWhs. The amount of solar electricity generated is measured in kilowatt hours AC or "kWh", and the month over which such solar electricity is measured is referred to herein as the "Production Month."
- <u>Calculation of Bill Credits</u>. Bill Credits are calculated pursuant to the Program by the 3.3 Utility and are based upon readings at the Utility Meter. Bill Credits are applied solely by the Utility based upon the terms and conditions of the Program. Company will provide the Utility with Customer's information so that the Utility can post the appropriate allocation of Bill Credits to Customer's Utility bill, pursuant to the allocations shown in the Membership Information List. Bill Credits to be applied on the Customer's Utility account are calculated as the Bill Credit Rate multiplied by the Customer's Solar Output based upon readings at the Utility Meter for the Production Month. Customer acknowledges and agrees that Company's sole obligation regarding payment of Bill Credits to Customer is to request and use commercially reasonable efforts to require Utility to deliver Bill Credits. The duration, terms and conditions of the Program, including the Bill Credit Rate used to determine Bill Credits, are subject to the sole and exclusive control of the Utility, and Company has not made any representations or warranties with respect to the expected duration of the Program or the amounts to be provided by the Utility as Bill Credits. Customer understands that (i) the Bill Credits received by Customer for a particular Production Month will be reflected on Customer's statement from the Utility as a monetary credit amount and not as an electricity quantity; and (ii) such Bill Credits will be reflected on Customer's monthly invoice according to the Utility's billing cycle, which may be approximately two (2) months after the Production Month in which the Bill Credits are generated by the Facility.
- 3.4 <u>Title; Environmental Attributes and Tax Incentives Excluded.</u> Customer shall not be entitled to any ownership interest in, and as between Customer and Company, Company shall have title to, the Facility and all solar panels. Customer acknowledges and agrees that Customer's Solar Interest does not include any Environmental Attributes or Tax Incentives associated with the Facility, and Customer shall not claim the Environmental Attributes or Tax Incentives associated with the Facility.

3.5 <u>Taxes</u>. Customer shall be responsible for any applicable sales, use, import, excise, value added, or other taxes or levies (other than Company's income taxes) associated with this Agreement.

#### 4 ACKNOWLEDGMENTS REGARDING THE PROGRAM

- 4.1 Program Limitation. The Program imposes certain requirements on participation in the Program, which include the following: (i) Customer's Solar Output measured over twelve (12) months shall not exceed one-hundred twenty percent (120%) of Customer's electric energy consumption during the most recent twelve (12) month billing period, and (ii) Customer's Utility Service Location must be within the same service territory as the Utility (collectively, the "Program Limitation"). Estimated Initial Annual Solar Output from the Customer's Capacity as set forth in Appendix A shall not exceed the Program Limitation. Customer's participation (or the participation of others at the same Utility Service Location) in other Utility programs relating to renewable energy payments, credits or rebates may further limit the Bill Credits or capacity which Customer can receive or which may be attributed to Customer in connection with this Agreement and the Program. The Utility is not obligated to provide Bill Credits to the extent Customer's Solar Output exceeds the Program Limitation. Company reserves the right to decrease the Customer's Capacity in order to maintain Customer's compliance with the Program Limitation. Program Limitation set forth in this Section 4.1 is derived from the Program, and this Agreement will be deemed automatically amended to incorporate any changes to corresponding provisions in the Program.
- 4.2 <u>Program Requirements</u>. To participate in the Program, Customer must, in addition to other applicable requirements, (i) be and remain a current customer of record of the Utility for electric service throughout the Term, and (ii) be and remain in compliance with all requirements of this Agreement, the Program and the Utility throughout the Term.
- 4.3 <u>Customer's Subscription Contingent on Allocation of Bill Credits by the Utility.</u>
  Customer's subscription is contingent upon and subject to the Utility's acceptance and allocation of Bill Credits to Customer's Utility account. During the Term, (i) if for any reason the Utility refuses to allocate a portion or all of the Bill Credits to Customer's Utility account on a temporary basis, this Agreement shall remain in full force and effect, but Company shall promptly refund to Customer any amount paid to Company by Customer for such Bill Credits which the Utility refused to credit to Customer's Utility account, and (ii) if for any reason the Utility refuses to allocate the Bill Credits to Customer's Utility account on a permanent basis, either Party may terminate this Agreement by written notice to the other Party. Notwithstanding anything to the contrary, this Section 4.3 does not apply to the extent that the reason that the Utility refuses to allocate Bill Credits to Customer is a result of Customer failing to pay Customer's Utility bill.

4.4 <u>Additional Requirements</u>. From time to time during the Term, Company may request and Customer shall within ten (10) days of such request provide financial information reasonably requested by Company and/or its Lender in order to perform a financial analysis of Customer. If such information is not provided within such time, or if Company determines in Company's sole discretion that such information is unsatisfactory, Company may terminate this Agreement upon written notice to Customer.

#### 5 PAYMENT

- 5.1 <u>Bill Credit Payment</u>. The Bill Credit Payment for each month shall equal ninety-five percent (95%) of the Bill Credits attributable to Customer's Solar Output for the prior Production Month.
- 5.2 Invoice for Bill Credit Payment. After the Eligibility Date, Company will provide Customer with electronic notice of the Bill Credit Payment due from Customer on or about the 60th day after the end of the Production Month upon which such Bill Credit Payment is based (the "Invoice"). The Invoice shall be based on readings at the Utility Meter if available. In the event the Utility does not provide Utility Meter readings at all or on a timely basis, the Invoice shall be based on readings at the Facility Meter. Customer shall pay all invoiced amounts owed to Company by automatic electronic funds transfer via the Automated Clearing House ("ACH") wire transfer, from the Designated Payment Account (as defined in Appendix B) identified by Customer in Appendix B, or by any other approved electronic payment method. Customer shall execute the "Payment Authorization Form" attached as Appendix B and incorporated herein.
- Seconds and Audits. Each Party shall keep, for a period of not less than three (3) years after the date of each Invoice, records sufficient to permit verification of the accuracy of billing statements, charges, computations and payments reflected on such Invoice. During such period each Party may, at its sole cost and expense, and upon reasonable notice to the other Party, examine the other Party's records pertaining to such Invoice during the other Party's normal business hours. Company shall, at Customer's request (such request to not occur more than once annually), provide documentation of the amount of electricity generated by the Facility during the Production Months covered by Customer's request and/or the calculation of the applicable Bill Credit Payment; provided that in connection with any such request Customer shall provide Company with Customer's Utility bills for the Production Months covered by Customer's request.
- 5.4 <u>Dispute</u>. Customer shall only be entitled to dispute an amount owed or paid by Customer within twelve (12) calendar months from the date of issuance of such Invoice. Upon resolution of the dispute, any required payment shall be made within seven (7) business days of such resolution. Any overpayments shall be returned by

Company upon request or deducted from subsequent payments. If the Parties are unable to resolve a payment dispute under this Section 5.4, the Parties shall follow the procedure set forth in Section 14.6.

#### **6** INTERACTION WITH THE UTILITY

- Appointment of Company as Customer's Agent. Customer information includes, without limitation, Customer's name, address, Customer's Utility Service Location, the Utility account numbers and meter numbers associated with the Utility Service Location, the Customer's Solar Output, and other Customer information listed on Appendix A (collectively, the "Customer Information"). Company agrees to be, and Customer hereby appoints Company, as Customer's representative for submitting Customer Information to the Utility, with full power and authority to supply to the Utility such information as may be required by the Utility under the Program. In addition, Customer hereby authorizes the Utility to release to Company the consumption and other account information of Customer listed in Appendix A to help Company to carry out the terms of this Agreement and the Program, and shall execute any documents that either Company or the Utility may request to permit the release of such information.
- 6.2 Provision of Information to Utility and Disclosure Forms. Within ten (10) days of any request made from time to time, Customer shall provide to Company and/or the Utility all applications, documentation, and information required by Company or the Utility, as applicable, and otherwise to qualify Customer to participate in the Program. Customer shall sign any disclosure form provided by Company within ten (10) days. Company may terminate this Agreement if Customer fails to provide such signed disclosure form back to Company within such ten (10) days.

### 7 CHANGE OF CUSTOMER LOCATION; CAPACITY CHANGES

#### 7.1 Change in Location.

- 7.1.1 Advance Notice. Customer shall provide Company with six (6) months advance notice of any change which may cause Customer to not be the Utility's customer at the Utility Service Location for any of the accounts listed on Appendix A.
- 7.1.2 New Eligible Location Within Utility Service Territory. If Customer shall cease to be Utility's customer at the Utility Service Location and within thirty (30) days thereof moves to a new location within the service territory of the Utility, Customer shall take all steps and provide all information required by the Utility under the Program to substitute Customer's new service location as the Utility Service Location under this Agreement, and this Agreement shall continue in effect. If such requirements are not met within such time or if the Utility Service Location or any new service location exceeds the Program Limitation or otherwise does not comply with the Utility's requirements, Customer's ability to participate in the Program may cease or be limited in accordance with Program requirements. Company may update Customer's

- Utility Service Location in Appendix A with the new address without the need for additional consent or signature of the Parties.
- 7.1.3 Other Termination of Utility Service. If Customer ceases to be a Utility customer for electric service at the Utility Service Location and Customer's new location is not eligible under the Program or capacity cannot be allocated to another account if applicable, Company may terminate this Agreement in accordance with Section 10.3.
- 7.2 Decrease in Capacity. At any time during the Term, Company may decrease Customer's Capacity to keep Customer in compliance with the Program Limitation. Customer will be charged a downsize fee in the amount of \$50.00 per kW of decrease in Customer's Capacity (the "Downsize Fee") to be paid to Company within thirty (30) days after Company's determination that Customer's Capacity must be decreased to keep Customer in compliance with the Program Limitation; provided that no Downsize Fee shall be assessed at the time of decreasing Customer's Capacity under any of the following circumstances: (a) downsizing of Customer's Capacity is based on inaccurate estimates for a new customer without historical usage, within the first six (6) months of the Term, (b), or (c) Customer has found a Replacement Customer for the decreased capacity. Within thirty (30) days of Company's determination that Customer's Capacity must be decreased to keep Customer in compliance with the Program Limitation, and (y) Company's receipt of payment of the Downsize Fee, if applicable, Company will take the necessary steps to reduce Customer's Capacity and provide Customer with electronic notice of the new Customer's Capacity and projected date for its commencement, which will take effect at the beginning of Customer's next billing period following Company's notice to Customer of the new Customer's Capacity and projected date for its commencement. The Parties agree and acknowledge that Company will have suffered damages on account of the decreasing capacity and that, in view of the difficulty in ascertaining the amount of such damages, the Downsize Fee constitutes reasonable compensation and liquidated damages to compensate Company on account thereof.
- 7.3 Transfer to a Replacement Customer. Customer may be permitted to transfer all or some of Customer's Capacity to a Replacement Customer as long as (i) such transfer is made in compliance with all terms and conditions of this Agreement and the Program; and (ii) Customer obtains Company's prior written consent, which consent may be withheld in Company's sole discretion. Without limiting the generality of the foregoing, Customer must have no outstanding obligations in connection with Customer's Utility account or payments dues under this Agreement, and the transferee of the Capacity must qualify for participation in the Program and comply with the Utility's requirements (including but not limited to the Program Limitation). As a condition of any such transfer, Customer and the proposed transferee shall provide the Company with all requested documentation and information related to the transfer, and confirmation of qualification by the Utility to participate in the Program. Upon receipt of such documents and information, the Company will prepare an agreement similar to this Agreement for execution by the

Replacement Customer, except that the Term shall be only the remaining Term under this Agreement. Such transfer to an approved Replacement Customer may be subject to a reasonable fee. Upon execution of such new agreement, this Agreement will terminate if all Capacity is transferred. Customer acknowledges and agree that the Company has no obligation to assist Customer in identifying or qualifying any potential Replacement Customer to whom Customer may transfer Customer's Capacity.

## 8 REPRESENTATIONS AND WARRANTIES; ACKNOWLEDGEMENTS; COVENANTS

- 8.1 <u>Representations and Warranties</u>. As of the Effective Date, each Party represents and warrants to the other Party as follows:
  - 8.1.1 The Party is duly organized, validly existing, and in good standing under the laws of the state of its formation.
  - 8.1.2 The Party has full legal capacity to enter into and perform this Agreement and that the information provided is true to the best of its knowledge and belief.
  - 8.1.3 The execution of this Agreement has been duly authorized, and each person executing this Agreement on behalf of the Party has full authority to do so and to fully bind the Party.
  - 8.1.4 The execution and delivery of this Agreement and the performance of the obligations hereunder will not violate any Applicable Legal Requirement, any order of any court or other agency of government, or any provision of any agreement or other instrument to which the Party is bound.
  - 8.1.5 There is no litigation, arbitration, administrative proceeding, or bankruptcy proceeding pending or being contemplated by the Party, or to the Party's knowledge, threatened against the Party, that would materially and adversely affect the validity or enforceability of this Agreement or the Party's ability to carry out the Party's obligations hereunder.

#### 9 OPERATIONS AND MAINTENANCE

9.1 Operations and Maintenance Services. Beginning on the Commercial Operations Date through the end of the Term, Company will operate the Facility, and provide customary maintenance services designed to keep the Facility in good working condition. Company will use qualified personnel to perform such services in accordance with industry standards and will pay such personnel reasonable compensation for performing such services.

#### 10 TERMINATION

10.1 <u>Termination of Program</u>. In the event the Utility ceases to offer the Program or a comparable substitute, or in the event that there is a change in the Program such that

- Customer is no longer eligible to participate in the Program, then either Party may terminate this Agreement after the Utility ceases to provide Customer the Bill Credits.
- 10.2 <u>Termination Based on Lease</u>. If the lease where the Facility is located is terminated for any reason and not subsequently reinstated, this Agreement will terminate at such time without liability to either Party.
- 10.3 Event of Default; Termination for Default.
  - 10.3.1 <u>Customer Default</u>. Each of the following events will constitute a default on the part of Customer (a "*Customer Default*"):
    - a) Customer fails to make any payment to Company when due pursuant to the terms of this Agreement and such failure continues for a period of ten (10) days after receipt of written notice thereof from Company.
    - b) Customer breaches any warranty or representation of Customer set forth in this Agreement or fails to perform any material obligation or covenant of this Agreement, and such breach or failure is not cured by Customer within thirty (30) days after Customer receives written notice of such breach or failure from Company.
    - c) Customer no longer has any accounts with the Utility within an eligible service territory.
    - d) Customer institutes or consents to any proceeding in bankruptcy pertaining to Customer or its property, or Customer fails to obtain the dismissal of any such proceeding within thirty days of filing; a receiver, trustee or similar official is appointed for Customer or substantially all of Customer's property or assets, or such property or assets become subject to attachment, execution or other judicial seizure; or Customer is adjudicated to be insolvent.
    - e) Customer attempts to claim any Environmental Attributes (including any RECs) or Tax Incentives in connection with the Facility or Customer's Solar Interest.
  - 10.3.2 <u>Company Default</u>. Each of the following events will constitute a default on the part of Company (a "*Company Default*") provided there is no concurrent Customer Default:
    - a) Company breaches any warranty or representation of Company to Customer set forth in this Agreement, or fails to perform any material obligation of this Agreement, and such breach or failure is not cured by Company within thirty (30) days after Company receives written notice of such breach or failure from Customer, or, if such breach of failure is not capable of cure within such thirty (30) day period, then Company (i) fails to begin such cure within ten (10) days of such written notice or

- (ii) fails to complete the cure of such breach or failure with sixty (60) days of such written notice using diligent efforts.
- 10.3.3 Remedies. If a Customer Default occurs and is continuing after the expiration of the cure period applicable thereto, Company may terminate this Agreement for breach by written notice to Customer, and Customer shall be responsible for paying for all Bill Credits that the Utility continues to allocate to Customer until Company can fine a replacement customer, in Company's sole discretion. If a Company Default occurs and is continuing after the expiration of the cure period applicable thereto, Customer may terminate this Agreement by written notice to Company. Subject to the limitations set forth in this Agreement, each Party reserves and shall have all rights and remedies available to it at law or in equity with respect to the performance or non-performance of the other Party hereto under this Agreement. Each Party has a duty to mitigate damages that it may incur as a result of a Party's non-performance under this Agreement.
- 10.4 Force Majeure. If a Force Majeure event occurs, Company shall not be deemed to be in default during the Force Majeure event, provided that: (i) Company gives the Customer written notice within two (2) weeks describing the occurrence and the anticipated period of delay; (ii) no obligations of Company which were to be performed prior to the Force Majeure Event shall be excused; and (iii) Company shall use commercially reasonable efforts to remedy the Force Majeure Event. If any Force Majeure Event lasts longer than ninety (90) days, and Company determines in good faith that such Force Majeure Event substantially prevents, hinders or delays Company's performance of any of its obligations, then either Party may upon written notice terminate the Agreement without further liability, except that neither Party shall be relieved from any payment obligations arising under this Agreement prior to the Force Majeure Event.
- 10.5 Early Termination. Prior to the Commercial Operations Date, either Party may terminate this Agreement without penalty or any liability if Company has not achieved the Commercial Operations Date within eighteen (18) months after the Effective Date or the Facility fails to qualify as a Community Solar Garden in accordance with the Program and Customer has not been transferred to a different Facility in accordance with Section 12.2, provided that such eighteen-month period shall be extended on a day-for-day basis for any delay in achieving the Commercial Operations Date due to a Force Majeure Event or action or inaction on the part of Customer.
- 10.6 Effect of Termination. Upon termination of this Agreement for any reason, (i) Company shall remove Customer from the Membership Information List upon the next update to the Utility, and (ii) Company shall have no further obligation to request Utility to deliver and Customer shall have no further obligation to subscribe to any Bill Credits from the Utility; provided, however, that Customer shall pay Company for any Bill Credit Payments with respect to any Bill Credits that have or may continue to be allocated to Customer by the Utility until the Membership List can be changed with a replacement customer. In connection with the foregoing sentence, Customer and

Company agree to execute any documents as may be reasonably required by the Utility.

#### 11 LIMITATIONS OF LIABILITY

- 11.1 Limitation of Liability. LIABILITY OF EACH PARTY UNDER THIS AGREEMENT SHALL BE LIMITED TO DIRECT ACTUAL DAMAGES ONLY AND ALL OTHER REMEDIES OR DAMAGES AT LAW OR IN EQUITY ARE WAIVED. NEITHER PARTY SHALL BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, PUNITIVE, EXEMPLARY OR INDIRECT DAMAGES, LOST PROFITS OR OTHER BUSINESS INTERRUPTION DAMAGES, BY STATUTE, IN TORT OR CONTRACT, IN CONNECTION WITH THIS AGREEMENT. IT IS THE INTENT OF THE PARTIES THAT THE LIMITATIONS HEREIN IMPOSED ON REMEDIES AND THE MEASURE OF DAMAGES BE WITHOUT REGARD TO THE CAUSE OR CAUSES RELATED THERETO, INCLUDING THE NEGLIGENCE OF ANY PARTY, WHETHER SUCH NEGLIGENCE BE SOLE, JOINT OR CONCURRENT, OR ACTIVE OR PASSIVE.
- 11.2 COMPANY DOES NOT REPRESENT OR WARRANT ANY MINIMUM PRODUCTION, SOLAR OUTPUT, OR BILL CREDIT AMOUNT. COMPANY DOES NOT SELL, TRANSMIT OR DISTRIBUTE SOLAR ELECTRICITY TO CUSTOMER UNDER THIS AGREEMENT. COMPANY DOES NOT PROVIDE CUSTOMER WITH OWNERSHIP OF, OR ANY INTEREST IN, ANY UTILITY INCENTIVES, TAX INCENTIVES, TAX ATTRIBUTES, ENVIRONMENTAL ATTRIBUTES, ENVIRONMENTAL INCENTIVES, OR RECS UNDER THIS AGREEMENT, ALL OF WHICH WILL BE OWNED BY COMPANY OR THE UTILITY AND USED BY COMPANY AS COMPANY MAY DETERMINE FROM TIME TO TIME. CUSTOMER UNDERSTANDS THAT COMPANY HAS NOT GUARANTEED OR MADE ANY REPRESENTATIONS OR WARRANTIES THAT THE OPERATION OF THE FACILITY WILL BE UNINTERRUPTED OR ERROR FREE. COMPANY DOES NOT REPRESENT OR WARRANT THAT ANY CHANGE TO STATE OR FEDERAL LAW OR CHANGES TO THE TARIFF OR THE PROGRAM WILL NOT ADVERSELY AFFECT CUSTOMER OR WILL NOT CAUSE CUSTOMER TO BE INELIGIBLE FOR THE PROGRAM.

#### 12 ASSIGNMENT

- 12.1 <u>Prior Written Consent</u>. Customer may not assign this Agreement nor assign or transfer the Bill Credits without the prior written consent of Company, which consent may not be unreasonably conditioned, withheld or delayed. Company may assign this Agreement, or any of Company's rights, duties, or obligations under this Agreement, to another entity or individual, including any affiliate, whether by contract, change of control, operation of law, collateral assignment or otherwise, without Customer's prior written consent.
- 12.2 <u>Transfer to an Affiliate Facility</u>. Company, in Company's sole discretion, may from time to time transfer Customer to another Facility owned or managed by Company or its Affiliates, provided that Customer receives similar rights and benefits as hereunder.

Company shall provide Customer with written notice of such transfer and shall provide an updated Appendix A with the new Facility information. Such updated Appendix A shall be deemed to be added to this Agreement and such transfer may be made without the need for additional consent or signature of the Parties.

#### 13 AMENDMENT FOR FINANCING

13.1 Obligation to Modify this Agreement for Financing. If a Lender requires this Agreement to be modified, or if Company determines that this Agreement needs to be modified in order to finance, develop or operate the Facility, the Parties shall enter into negotiations to amend this Agreement to materially conform to such requirements and to the original intent of this Agreement in a timely manner. If the Parties, negotiating in good faith, cannot agree on such amendments within thirty (30) days of notice of the required Lender modifications, or if Company determines in good faith that this Agreement cannot be amended to allow the Facility to be financed, developed or operated in a commercially reasonable manner, then Company shall have the option, but not the obligation, to terminate this Agreement upon thirty (30) days prior written notice to Customer without further liability on the part of either Party, provided that Customer and Company shall not be released from any payment or other obligations arising under this Agreement prior to such termination.

#### 14 MISCELLANEOUS

14.1 <u>Notices</u>. All notices and other formal communications which a Party may give to the other under or in connection with this Agreement shall be in writing (except where expressly provided for otherwise), shall be effective upon receipt, and shall be sent by any of the following methods: electronic notification; hand delivery; reputable overnight courier; or certified mail, return receipt requested, and shall be sent to the following addresses:

If to Company: Mountain Community Solar 1, LLC

c/o Clean Energy Collective, LLC 363 Centennial Parkway, Suite 300

Louisville, CO 80027 Attn: Tom Sweeney

with a copy by email to Tom. Sweeney@easycleanenergy.com

If to Customer: Town of Frisco

PO Box 4100, 1 Main Street

Frisco, CO 80443 Attn: Town Manager

Either Party may change its address and contact person for the purposes of this Section 14.1 by giving notice thereof in the manner required herein.

- 14.2 <u>Applicability of Open Records Act</u>. The Parties acknowledge and agree that Customer is required to comply with the Colorado Open Records Act (the "Act"), and that this Agreement is subject to disclosure under the Act. The Customer agrees to advise Company of any request for this Agreement under the Open Records Act.
- 14.3 Governmental Immunity. Customer and its officers, attorneys and employees, are relying on, and do not waive or intend to waive by any provision of this Agreement, the monetary limitations or any other rights, immunities, and protections provided by the Colorado Governmental Immunity Act, C.R.S. § 24-10-101, et seq., as amended, or otherwise available to Customer and its officers, attorneys or employees, as applicable hereto.
- 14.4 <u>Severability</u>. Should any terms of this Agreement be declared void or unenforceable by a court of competent jurisdiction, such terms will be amended to achieve as nearly as possible the same economic effect for the parties as the original terms and the remainder of this Agreement will remain in full force and effect.
- 14.5 <u>Service Contract</u>. This Agreement is a service contract under Internal Revenue Code Section 7701(e), and its various subparts.
- 14.6 Governing Law. This Agreement and the rights and duties of the Parties hereunder shall be governed by and shall be construed, enforced and performed in accordance with the laws of the State of Colorado without regard to principles of conflicts of law.
- 14.7 <u>Dispute Resolution</u>. Unless otherwise expressly provided for in this Agreement, the dispute resolution procedures of this Section 14.6 shall be the exclusive mechanism to resolve disputes arising under this Agreement.
  - 14.7.1 Any dispute that arises under or with respect to this Agreement that cannot be resolved shall in the first instance be the subject of formal negotiations between respective executive officers of each Party. The dispute shall be considered to have arisen when one Party sends the other Party a written notice of dispute. The period for formal negotiations shall be fourteen (14) days from receipt of the written notice of dispute unless such time period is modified by written agreement of the Parties.
  - 14.7.2 In the event that the Parties cannot timely resolve a dispute by negotiation, the sole venue for judicial enforcement shall be the district Courts of Colorado. Each Party hereby consents to the jurisdiction of such courts, and to service of process in the State of Colorado in respect of actions, suits or proceedings arising out of or in connection with this Agreement or the transactions contemplated by this Agreement.
  - 14.7.3 Notwithstanding the foregoing, injunctive relief from any court may be sought without resorting to negotiation to prevent irreparable harm that would be caused by a breach of this Agreement.

- 14.7.4 EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY).
- 14.8 <u>Entire Agreement</u>. This Agreement, together with its appendices, exhibits contains the entire agreement between the Parties with respect to the subject matter hereof, and supersedes all other understandings or agreements, both written and oral, between the Parties relating to the subject matter hereof.
- 14.9 <u>Press Releases</u>. Customer authorizes Company and Company's Affiliates to use Customer's name and the nameplate capacity allocated to Customer hereunder for reporting purposes, such as official reporting to Governmental Authorities, the Utility, public utility commissions and similar organizations, and in marketing materials that Company or Company's Affiliates generate or distribute. Following written notice from Customer to opt out of Company's marketing program, Company shall no longer identify Customer by name in Company's marketing materials.
- 14.10 <u>Compliance with Laws</u>. Each Party shall comply with all Applicable Legal Requirements pertaining to it.

### 14.11 Customer Covenants.

- 14.11.1 <u>Customer Information</u>. The information set forth in Appendix A hereto is accurate, and Customer is a current customer of the Utility named in Appendix A at the Utility Service Location specified therein.
- 14.11.2 No Other Assignment or Authorization. Customer has not transferred, assigned or sold Customer's Capacity, Solar Interest, or Customer's Solar Output to any other person or entity, and will not do so during the Term, except as permitted under this Agreement. Customer has not provided any other person or entity any of the authority granted to Company under this Agreement and will not do so during the Term.
- 14.11.3 <u>No Liens or Encumbrances</u>. Customer has not granted or placed or allowed others to place any liens, security interests, or other encumbrances on the Customer's Capacity, Solar Interest, or Customer's Solar Output and will not do so during the Term.
- 14.11.4 <u>Utility Bill</u>. Customer shall promptly pay Customer's Utility bills by the date due thereof, and Customer understands that any failure to pay Customer's Utility bill on time may cause Customer to no longer be eligible to receive Bill Credits under this Agreement.

- 14.12 No Joint Venture. Each Party will perform all obligations under this Agreement as an independent contractor. Nothing herein contained shall be deemed to constitute any Party a partner, agent or legal representative of the other Party or to create a joint venture, partnership, agency or any relationship between the Parties. The obligations of each Party hereunder are individual and neither collective nor joint in nature.
- 14.13 <u>Amendments</u>; <u>Binding Effect</u>; <u>Waiver</u>. Except as otherwise permitted in this Agreement, this Agreement may not be amended, changed, modified, or altered unless such amendment, change, modification, or alteration is in writing and signed by each of the Parties to this Agreement or its respective successor in interest. This Agreement inures to the benefit of and is binding upon the Parties and each of their respective successors and permitted assigns. No waiver of any provision of this Agreement will be binding unless executed in writing by the Party making the waiver. Neither receipt nor acceptance by a Party of any payment due herein, nor payment of same by a Party, shall be deemed to be a waiver of any default under this Agreement, or of any right or defense that a Party may be entitled to exercise hereunder.
- 14.14 <u>Counterparts</u>. This Agreement may be executed in counterparts, each of which shall be deemed an original and all of which shall constitute one and the same agreement. Delivery of an executed counterpart of this Agreement by facsimile or PDF transmission will be deemed as effective as delivery of an originally executed counterpart.
- 14.15 <u>Further Assurances</u>. From time to time and at any time at and after the execution of this Agreement, each Party shall execute, acknowledge and deliver such documents and assurances, reasonably requested by the other and shall take any other action consistent with the terms of this Agreement that may be reasonably requested by the other for the purpose of effecting or confirming any of the transactions contemplated by this Agreement. No Party shall unreasonably withhold, condition or delay its compliance with any reasonable request made pursuant to this Section 14.14.
- 14.16 <u>Estoppel</u>. Customer agrees, at any time within ten (10) days of Company's written request, to execute, acknowledge and deliver to Company a written statement in form and content acceptable to Company stating whether the Agreement has been modified and is in full force and effect, whether Company is in default of said terms, and whether there exist any charges or set-offs against Company, and setting forth such other matters as Company or any Lender or potential lender may reasonably request.
  - 14.17 <u>Survival</u>. The provisions of Sections 3.4, 3.5, 5.4, 5.5, 10, 11, 12, and 14 shall survive the expiration or earlier termination of this Agreement.
  - 14.18 <u>Third-Party Beneficiaries</u>. A Lender is a third-party beneficiary to this Agreement and is entitled to the rights and benefits hereunder and may enforce the provisions hereof as if it were a party hereto.

#### Appendix B

#### PAYMENT METHOD AUTHORIZATION

Customer shall provide Company with information regarding a checking or savings account which Customer has with a bank or other financial institution, which information shall include the bank's or financial institution's name, the legal name of the account holder, the account number, and the routing number (collectively, the "Designated Account Information"), via Company's online customer portal (the "Account Portal"), within ten (10) days after Customer's receipt of the Account Portal link and password. The account for which the Designated Account Information is provided, and all successor accounts for which Customer provides Company with Designated Account Information, is referred to in this Agreement as the "Designated Payment Account." Customer shall also provide via the Account Portal the information for a valid credit card, to be used only in the event the Designated Payment Account fails or is unable to be used for payment. At all times during the Term, Customer will maintain a Designated Payment Account in good standing with the bank or other financial institution holding such account so as to provide Company with timely and full payment by ACH withdrawal from the Designated Payment Account of each monthly Invoice as such monthly Invoice shall become due. Should a Designated Payment Account be closed or otherwise become unavailable for payment of the monthly Invoice on a timely basis, Customer will provide Company with a replacement Designated Payment Account information within five (5) business days via the Account Portal and provide Company with full payment of any amounts which are then due from Customer to Company. Notwithstanding any other provision of this Agreement, Company shall not, and shall not be obligated to, seek to have the Utility allocate Bill Credits to Customer until Customer has executed the Payment Method Authorization and provided the Designated Account Information.

The Designated Payment Account information to be provided via the Account Portal will be used for the automatic deduction of Customer's payments pursuant to this Agreement from the Designated Payment Account. Customer hereby authorizes Company, or Company's service provider, to debit the Designated Payment Account on behalf of Customer by ACH wire transfer, on a monthly basis, not sooner than thirty (30) days after Customer's receipt of the Invoice (the "Payment Date") for payment of regular Invoices issued by Company, and other amounts due, pursuant to the terms of this Agreement (collectively, the "Payment"). Customer further authorizes and consents to the use of electronic documents and authorizations in connection with ACH transactions pursuant to this Agreement.

Customer understands and agrees that if sufficient funds are not available from the Designated Payment Account or the Payment fails for any reason on the Payment Date, Company will charge Customer's credit card on file. Customer shall (i) reimburse Company for all penalties and fees incurred as a result of Customer's bank rejecting an ACH withdrawal as a result of unavailable funds or the Designated Payment Account not being properly configured for ACH transactions, (ii) pay an additional ten dollars (\$10.00) as a late fee for each failed ACH transaction due to insufficient funds, and (iii) pay an alternate payment method fee of ten dollar (\$10.00) for use of any payment method other than the Designated Payment Account (collectively, "NSF Charges"). Payment for NSF Charges will be initiated as a separate transaction from the Payment. Customer understands and agrees that no Payment will be considered "paid" until Company receives the funds in full, and that Company shall incur no

liability as a result of withdrawal being dishonored by the account holder's bank, or for any charges made to Customer by Customer's bank in connection with any ACH transaction.

Recurring Bill Credit Payments shall be drafted monthly, and Company shall provide Customer with notice of the Invoice ten (10) days prior to the Payment Date. Depending upon the timing of Payments made by Customer, Company may need to draft more than one month's Bill Credit Payment (including past due amounts) in order to bring the Payments due to a current status.

Customer understands and agrees that the authorizations provided hereby will remain in effect until Company receives a notification of termination in writing from Customer. Customer shall notify Company in writing of any changes in Customer's Designated Payment Account information or of termination of the authorizations at least fifteen (15) days prior to the beginning of the next month. Notice to Company hereunder shall be delivered to the following address:

Clean Energy Collective, LLC 363 Centennial Pkwy. Ste. 300 Louisville, CO 80027 Attn: Accounting

If the above noted Payment Dates fall on a weekend or holiday, Customer understands that the Payments may be executed on the next business day. For ACH debits of Customer's Designated Payment Account, Customer understands that because these are electronic transactions, these funds may be withdrawn from the account as soon as the above noted Payment Dates.

Customer acknowledges that the origination of ACH transactions to the Designated Payment Account must comply with provisions of U.S. law, and that Customer will not dispute these scheduled transactions with Customer's bank, so long as the transactions correspond to the terms indicated in this Appendix B.

Customer certifies that the Designated Payment Account is enabled for ACH transactions. Customer certifies that the Designated Payment Account may be charged or drawn by Customer or in the legal business name of Customer. Customer certifies that the individual designated below has been authorized by Customer to provide the Customer's Designated Account Information electronically via the Account Portal, and to enter into and authorize ACH transactions for and on behalf of Customer:

#### **M**EMORANDUM

P.O. Box 4100 ◆ Frisco, Colorado 80443

To: MAYOR AND TOWN COUNCIL

FROM: JEFF GOBLE, PUBLIC WORKS DIRECTOR

RE: ORDINANCE 20-02, DIG ONCE

**DATE:** FEBRUARY 11, 2020

<u>Summary and Background:</u> This subject was first brought up a couple of years ago during the Project THOR discussions. Since then Breckenridge, Silverthorne, Dillon and Summit County have adopted similar ordinances to provide for the efficient and cost effective installation of high speed broadband communications facilities while limiting the disruption to the public that utility installations can create. The goal of this ordinance is to limit utility disturbance in the Town's Rights of Way for underground utility work.

**Analysis:** This ordinance will ensure the following:

- 1. Broadband conduit will be installed during all Town projects if deemed beneficial by the Town Manager.
- 2. Broadband conduit will be installed when utility companies are performing work in the Right of Way. The Town would pay the cost to co-locate Broadband conduit in this case, if determined to be beneficial by the Town Manager.
- 3. Broadband conduit will be installed during new development or new street projects. The total cost of the installation would be paid by the developer and dedicated to the Town.

<u>Financial Impact:</u> Adoption of the proposed ordinance will have no known immediate impact on the 2020 budget. There may be future costs associated with this ordinance when and if projects come forward that would be effected by this ordinance. If that's the case these costs would be accounted for in the project budget.

Alignment with Strategic Plan: Adoption of this ordinance aligns with the Quality Core Services, Thriving Economy and Inclusive Community sections of the Councils 2019-2020 Strategic Plan by ensuring high speed broadband communications system can be installed in the Town over time.

**Environmental Sustainability:** Adoption of this ordinance will result in less negative impacts on the environment by reducing the amount of excavating and not duplicating work already done. Digging once is far less impactful than digging two or more times.

**<u>Staff Recommendation:</u>** After discussion and input from the Council, staff recommends that the Council approve this ordinance on first reading.

## **Reviews and Approvals:** This report has been reviewed and approved by:

Thad Renaud, Town Attorney Bonnie Moinet, Finance Director-Approved Nancy Kerry, Town Manager

Ordinance 20-02

### TOWN OF FRISCO COUNTY OF SUMMIT STATE OF COLORADO ORDINANCE 20-02

AN ORDINANCE AMENDING CHAPTER 155 OF THE CODE OF ORDINANCES OF THE TOWN OF FRISCO, CONCERNING STREETS AND PUBLIC WAYS, BY AMENDING ARTICLE II THEREOF, CONCERNING UTILITY INSTALLATIONS, TO GIVE THE TOWN THE ABILITY TO PROVIDE FOR THE CONSTRUCTION OF COMMUNICATIONS CONDUITS IN CONNECTION WITH THE EXCAVATION OF PUBLIC WAYS FOR UTILITY PURPOSES, OR THE CONSTRUCTION OF NEW STREETS.

WHEREAS, the Town of Frisco, Colorado ("Town") is a home rule municipality, duly organized and existing under Article XX of the Colorado Constitution; and

WHEREAS, the purpose of Article II of Chapter 155 of the Code of Ordinances of the Town of Frisco is to provide principles and procedures for the permitting and coordination of construction excavation within public ways within the Town, and to protect the integrity of the Town's public ways and street system, while accommodating the need for public utilities and other similar uses of public ways; and

WHEREAS, the Town Council desires to promote cooperation among the Town and applicants to the Town for the excavation and occupation of the public ways, and work therein, in order to: (i) eliminate duplication that is wasteful, unnecessary or unsightly; (ii) lower the Town's costs of providing services to the public, and (iii) minimize the number of excavations that occur in the Town's public ways.

NOW, THEREFORE, BE IT ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF FRISCO THAT:

<u>Section 1</u>. Article II of Chapter 155 of the Frisco Town Code, concerning utility installations, is hereby amended to read as follows:

# ARTICLE II UTILITY INSTALLATIONS

#### §155-11. Purpose.

The purpose of this article is to provide a means for the Town to grant consent to the use of its public ways for the installation of utilities and other improvements along, through, in, upon, under or over the public ways within the incorporated limits of the Town, and to allow the Town to provide for communications conduits in connection with the installation and maintenance of utilities in public ways by third parties, and to require the installation of communications conduits in connection with the paving of new or existing public ways.

### § 155-12. Exemption.

<u>Except as otherwise expressly set forth in this article.</u> <u>Uu</u>tility installations by the Town of Frisco and the Frisco Sanitation District shall be exempt from the provisions of this article.

#### § 155-13. Definitions.

As used in this Article, the following terms shall have the meanings indicated:

CONDUIT means a single enclosed raceway, pipe or canal for cables, fiber optics or other wires.

COUNCIL or TOWN COUNCIL means the Town Council of the Town of Frisco, Colorado.

<u>DIRECT COST means all necessary and usual costs associated with the placement of conduits as determined and approved by the Town Manager.</u>

PERSON means any individual, firm, company, corporation, district, private or governmental entity of any kind, whether or not a public utility.

PUBLIC WAY means any street, roadway, way, place, alley, sidewalk, pathway, bridge, viaduct, easement, park, square, plaza, and any Town owned right-of-way or other public property owned or controlled by the Town and dedicated to public use or reserved for future use by the public, within the Town of Frisco, in which utility installations may be made, or that may be paved for vehicular travel.

TOWN MANAGER means the Town Manager of the Town of Frisco, or his or her authorized representative.

UTILITY INSTALLATION or UTILITY means any and all facilities, including without limitation, plants, works, systems, lines, equipment, pipes, wires, antennas, satellite or other dishes, transmitters or receptors, mains, and meters, belonging to any person, other than the Town of Frisco, which are used or designed to provide telephone, telegraph, telecommunications, electric, gas, cable television, water, sewer, or any other similar service to any person, whether or not considered a "public utility" as that term may be defined by Colorado statute, and which are located or proposed to be located in any public way within the Town of Frisco. Notwithstanding the foregoing, "utility installation" or "utility" shall not include any utility service line connected to a transmitter or main, and designed to serve an individual structure.

## § 155-14. Review and Approval of Design and Construction Required: Requirements Related to Conduits.

A. Unless otherwise provided by franchise agreement or contract with the Town, no person shall locate, relocate or replace any utility installation in any public way, until three (3) copies of the plans and specifications for such installations have been submitted to and approved by the Town. Such plans and specifications, prepared and signed by an engineer registered in the State of Colorado, shall disclose the nature, extent, location, depth or height, and materials to be used for the proposed utility installation within the public way, shall indicate the timing and duration of the planned construction activity, and shall contain such additional information as the Town Manager may reasonably require. The Town Manager may, in the exercise of his discretion, waive the requirement that the plans be signed by a registered engineer, where the proposed utility installation is simple in nature and does not require engineering design.

B. All utility installations in public ways shall be designed so as not to interfere with the Town's water mains, street or path improvements and paving, drainage structures, or other municipal or utility uses within the public way, or to the extent such interference is unavoidable, the plans and specifications submitted shall include provisions for minimizing such interference and for restoring any disturbance to public or private property caused by the installation, at the expense of the person proposing the installation. The Town Manager may require that proposed utility installations be coordinated with Town street improvement programs or other public improvements or utility installations planned by the Town or other persons providing utility service within the Town.

- C. The Town Manager may require that proposed utility installations be coordinated with Town street improvement programs or other public improvements or utility installations planned by the Town or other persons providing utility service within the Town. The Town Manager may require that conduit be installed in the same or an adjacent location that the permittee proposes for excavation and, if so required, the permittee shall coordinate with the Town and facilitate the installation of the Town's conduit. The direct cost of installing the Town's conduit will be paid by the Town. No permittee shall be required to serve as a financial pass-through from the Town to a contractor installing the Town's conduit.
- D. The intent of this subsection is to provide for the construction of infrastructure sufficient to allow broadband communications entities desiring to deploy facilities in the future to do so by pulling the same through the conduit and appurtenances installed pursuant to this subsection and without excavating within the public ways. This subsection is not intended to require owners of broadband facilities or other conduit to install additional ducts or conduit in existing public ways; rather, it is intended to require those constructing public streets, including the Town and developers, to provide and install such conduit and appurtenances as may be necessary to accommodate future broadband needs within the public ways without further excavation.
  - 1. Whenever any new public street is constructed, whether by the Town as a public works project or by a developer or other private party in conjunction with development, the following shall be required:
    - For all new collector streets or major arterial streets, as defined in the Town's Minimum Street Design and Access Criteria, as amended, a minimum of two 4" conduits shall be installed by and at the sole cost of the party constructing the street; provided however that at the discretion of the Town Manager, the number and size of the conduit and spacing of pull boxes may be modified to address the reasonably known plans and/or demand for broadband capacity in these locations. If determined that additional conduits are required, the Town shall determine and pay the direct costs resulting from such additional conduits.
    - ii. For all other new streets, a minimum of two 2" conduits shall be installed by and at the sole cost of the party constructing the street; provided however that at the discretion of the Town Manager, the number and size of the conduit and spacing of pull boxes may be modified to address the reasonably known plans and/or demand for broadband capacity in these locations. If determined that additional conduits are required, the Town shall determine and pay the direct costs resulting from such additional conduits.
    - iii. In addition to installing conduit, the party constructing the street will be required to install such vaults and other appurtenances as may be necessary to accommodate installation and connection of broadband facilities within the conduit.
    - iv. All construction and installation shall be accomplished according to construction standards adopted by the Town. The construction standards shall be adopted with due consideration given to existing and anticipated technologies and consistent with industry standards.

v. All facilities installed by developers or other private parties pursuant to this section shall be conveyed and dedicated to the Town with the dedication and conveyance of the public street and/or way.

The Town reserves the right to charge reasonable fees for the use of conduit installed pursuant to this subsection, to the extent consistent with and as limited by federal and state laws.

<u>CE</u>. The Town Manager shall review said plans and specifications for compliance with the requirements of this article and any other applicable regulations or requirements of the Town. The Town Manager may approve the plans as submitted, approve the plans with modifications, or deny the plans for any utility installation if such installation does not comply with such requirements or where necessary to protect the public health, safety or welfare of the citizens of the Town. In approving any plans for a utility installation, the Town Manager may impose any reasonable conditions to ensure that the utility installation complies with the applicable requirements of the Town or where necessary to protect the public health, safety or welfare of the citizens of the Town. The Town Manager shall provide written notice of the approval, conditional approval or denial of any proposed utility installation, to the person seeking such approval.

<u>PF</u>. Any person aggrieved by the decision of an authorized representative of the Town Manager may appeal the same to the Town Manager, by filing such an appeal, in writing, with the Town Manager or such authorized representative not later than ten (10) calendar days from the date of the decision. The Town Manager may reverse or affirm, wholly or partly, or may modify or condition the authorized representative's decision, after consideration of the requirements of this article and all other applicable regulations and requirements of the Town.

 $\underline{\underline{\mathsf{G}}}$ . All utility installations shall be underground, unless specifically exempted by the Town Council, which shall grant such exemption only in cases of extraordinary or exceptional physical conditions making the placement of such utility installations underground economically infeasible.

FH. All utility installations in public ways shall conform to the approved plans and specifications therefor and any conditions imposed by the Town. Upon completion of construction, the person installing such utility shall provide to the Town three (3) copies of as built plans, showing final location and construction details. Any material changes to the approved plans and specifications, as determined by the Town Manager, may be made only after obtaining the Town's approval in the manner provided in this article.

#### § 155-15. Fees.

A. Application fees. All applications for review of proposed utility installations pursuant to this article shall be accompanied by payment of an application fee payable to the Town, which fee is intended to help defray the expense of the Town in administering the provisions of this article. The Town Manager shall from time to time determine the cost of performing the administrative services required by this article and, on the basis of such historic costs and estimations, shall promulgate a schedule of fees for the performance of administrative services. Any schedule of fees promulgated by the Town Manager shall be effective immediately upon filing with the Town Clerk and shall be available for public inspection in the office of the Town Clerk and the office of the Town Manager.

B. Other fees. Any person seeking to place a utility installation in a public way shall be required to pay to the Town certain Town costs associated with said utility installation, including without limitation, legal and engineering fees for review and consultation incurred by the Town. The

procedure for payment of such fees shall be the same as that provided in § 180-31, subparagraph D4, of the Code.

C. Occupation fees. Unless otherwise preempted by state <u>or federal</u> law, the Town Council is hereby authorized to provide, by resolution, for the levy of a fee for the occupation by utility installations of the public ways, provided that any such occupation fee be uniformly applied to all utility installations occupying the public ways, and provided that said occupation fee be reasonably related either to the cost to the Town of such occupation, or to the value of such occupation.

### § 155-16. Relocation of Facilities.

A. When required by the Town Manager due to the construction, installation, relocation, repair or improvement of streets, pedestrian or bicycle paths or ways, street lighting, drainage structures, water mains, or other utilities or public improvements, or for other reasons of public health, safety or welfare, the owner of a utility installation in any public way shall, at such owner's expense, protect, support, temporarily disconnect, or relocate within or outside such public way the said owner's utility installation or portions thereof as directed by the Town. Such required action shall be taken promptly upon notification from the Town Manager and shall be completed within a reasonable time, as determined by the Town Manager.

<u>Section 2.</u> <u>Effective Date.</u> This ordinance shall become effective in accordance with the homerule Charter of the Town of Frisco, Colorado.

#### **MEMORANDUM**

P.O. Box 4100 ◆ Frisco, Colorado 80443

To: MAYOR AND TOWN COUNCIL

FROM: SUSAN LEE, PLANNER

CHRIS JOHNSEN, GROUNDS FOREMAN

RE: RESOLUTION 20-08 AUTHORIZING THE CONTRACT AWARD FOR THE WALTER BYRON

RESTROOM AND PLAYGROUND PROJECT

**DATE:** FEBRUARY 11, 2020

<u>Summary and Background:</u> On October 8, 2019, Town Council approved a resolution adopting the Neighborhood Parks Master Plan, a conceptual master plan outlining community priorities for park improvements at four neighborhood parks: Walter Byron, Meadow Creek, Pioneer, and Old Town Hall. As an outcome of the planning process, Town Council prioritized the restroom and playground replacement at Walter Byron Park. Town Council allocated \$750,000 for these improvements in the 2020 budget.

Staff issued a Request for Proposals (RFP) on December 4, 2019 seeking a design/build approach for the design and construction of a new, year round restroom facility and playground area. Per the RFP the selected contractor is responsible for design development, permit and construction drawings, and the construction of the new restroom facility and site work associated with the playground installation. The playground equipment will be supplied and installed by a different contractor, under a separate contract.

Concurrent with the RFP issuance, staff applied for a grant from Colorado Parks and Recreation Association (CPRA) to help offset the cost of new playground equipment. The CPRA's Statewide Training and Funding Initiative is a matching grant designed to assist communities with playground projects. As part of the grant application process, staff obtained an estimate for the supply, delivery, and installation of the playground equipment in the amount of \$183,000. The Town was notified on January 20, 2020, that the grant request for \$90,000 in matching funds was successful. Staff has set aside \$150,000 of the \$750,000 budget for the completion of the playground equipment installation. A resolution to approve a separate contract for this portion of the project will be brought to Town Council once the final details of the playground equipment proposal and grant have been determined.

Staff received three responses to the RFP, on the January 17, 2020, proposal submittal deadline. The firms and bid amounts submitted were:

Name of Bidder	Original Bid Amount
Farrington Construction Management	\$497,529
MW Golden Constructors	\$640,044*
RA Nelson	\$728,071

<sup>\*</sup>Indicates that a revised bid amount was submitted.

Staff thoroughly reviewed all proposals and interviewed two firms during the week of January 20, 2020. Both firms interviewed have applicable experience and a sound project approach. Staff is recommending Town Council approve a contract with Farrington Construction Management. Staff feels that their proposed costs and project team will be the best match for the project goals. See **Staff Recommendation** below for further details.

**Financial Impact:** As approved in the 2020 budget, \$750,000 is budgeted for the Walter Byron Restroom and Playground Project in account 20-2000-5093. From the budgeted amount, staff has allocated \$600,000 for design development, site work, and construction of the restroom facility. The remaining \$150,000 is allocated for the purchase, delivery, and installation of the playground equipment. The contract for the playground equipment will be brought before Council once the details of the playground equipment have been finalized.

The contract being authorized through Resolution 2020-08 is for design and pre-construction services in an amount not to exceed \$54,965, and upon approval of the final design and associated costs, construction work not to exceed \$520,035.

<u>Alignment with Strategic Plan:</u> Vibrant Recreation is one of Town Council's strategic priorities as outlined in the 2019-2020 Strategic Plan; this includes prioritizing and implementing park improvements in conjunction with the approved Neighborhood Parks Master Plan. During the 2019 Park Master Planning process, the improvements at Walter Byron Park were identified as the top priority.

<u>Staff Recommendation</u>: The two firms interviewed for the project both have applicable experience on projects of similar scope and context. Staff is recommending the Town enter into a contract with Farrington Construction Management for the following reasons:

- Their understanding of the project scope and existing relationships with architectural, structural, mechanical, and civil engineering services results in significant cost savings.
- Their proposed project management structure will support consistent communication.
- They have relevant project experience that includes, but is not limited to: parks, community centers, and municipal projects.

Staff feels that Farrington Construction Management will be able to deliver the desired finished project on-time and within our budget. Their project team has a solid understanding of the project scope.

The contract includes a lump sum amount for the preconstruction and design services in an amount not to exceed \$54,965. Based on Farrington's proposal estimate and conversations regarding the scope and budget, staff and the contractor feel comfortable that the construction

can be completed within the allocated budget. Once more detailed design drawings have been developed, and a more accurate construction bid can be obtained, staff will revise the contract by change order to include the exact amount of the construction costs. At this time the contract includes an amount not to exceed \$520,035 for construction services.

Based on the information contained in this report, staff recommends Town Council approve Resolution 2020-08, A Resolution Authorizing the Contract Award for the Walter Byron Restroom and Playground Project.

#### DESIGN-BUILD CONSTRUCTION CONTRACT

THIS DESIGN-BUILD CONSTRUCTION CONTRACT ("Agreement") is dated as of the 11<sup>th</sup> day of February, 2020, by and between the Town of Frisco, Colorado, a Colorado home rule town and municipal corporation, (hereinafter called TOWN), and Farrington Construction Management, a Limited Liability Company, whose address is 400 West 48<sup>th</sup> Avenue, Suite 200, Denver, CO 80216 (hereinafter called CONTRACTOR). CONTRACTOR agrees to work for TOWN as an independent contractor, on the terms and conditions contained in this Agreement.

TOWN and CONTRACTOR, in consideration of the mutual covenants hereinafter set forth, agree as follows:

## ARTICLE 1 DEFINITIONS

1.1 "Project": The Project for which the Work under the Contract Documents may be the whole or only a part is generally described as follows:

Design and construction of a new playground and restroom facility to replace and improve the existing facility at Walter Byron Park.

1.2 "Work": CONTRACTOR shall complete all Work as specified or indicated in the Contract Documents. The Work is generally described as follows:

Design services in accordance with Article 3 below, and construction services in accordance with Article 4 below, including the Design Development Phase, Final Design Phase, Design Documents, Construction Documents, and Construction (hereinafter defined), including, but not limited to, all of the labor, materials and equipment necessary to complete the Project in accordance with the Contract Documents. CONTRACTOR shall be responsible for procuring the design and construction of the Work, and shall exercise reasonable skill and judgment in the performance of the Work.

1.3 "Site": The Site is the place where the Project is located, specifically, the site of Walter Byron Park,10 Walter Byron Lane, Town of Frisco, Colorado.

## ARTICLE 2 PROJECT REPRESENTATIVE

TOWN shall designate a PROJECT REPRESENTATIVE who is to act as TOWN's representative and on TOWN's behalf, assume all duties and responsibilities and have the rights and authority assigned to the PROJECT REPRESENTATIVE in the Contract Documents in connection with completion of the Work in accordance with the Contract Documents.

## ARTICLE 3 DESIGN SERVICES

- 3.1 This Project will be designed by CONTRACTOR, who shall assume all duties and responsibilities and have the rights and authority assigned to CONTRACTOR in the Contract Documents in connection with completion of the Work in accordance with the Contract Documents.
- 3.2 CONTRACTOR shall visit the Site, become familiar with the local conditions, and correlate observable conditions with the requirements of the TOWN's Project.
- 3.3 Design Development Phase: CONTRACTOR shall utilize conceptual designs as presented in the proposal from Farrington Construction Management, dated January 17, 2020, for design development purposes. This phase shall include one design meetings with Town officials to gather feedback for the final design. CONTRACTOR shall provide to the TOWN a reproducible color version plan, a 2' x 3' color illustrative facility plan, a site plan, and a reproducible 8.5" x 11" black and white plan.
- 3.4 *Final Design Phase*: CONTRACTOR, working from the conceptual design of the Project, shall prepare and present final design drawings to the TOWN for review and approval from the TOWN. This phase shall include providing to the TOWN a reproducible color version plan, a 2' x 3' color illustrative facility plan, and a reproducible 8.5" x 11" black and white plan.
- 3.5 Design Documents: CONTRACTOR shall submit to the TOWN through the PROJECT REPRESENTATIVE the Design Documents for the Project and for the performance of the Work. The "Design Documents" consist of all plans, drawings, specifications and other conceptualized documents establishing the size, quality and character of the Project, its architectural, structural, foundation, plumbing, mechanical, solar, and electrical systems, and the materials and such other elements of the Project as may be appropriate to accurately and completely describe the Project and the Work.
- 3.6 Construction Documents: CONTRACTOR shall prepare and provide, for the TOWN's review, all plans necessary (except a site plan) to comply with the TOWN's Planning, Zoning and Building Code requirements for the approved design, specifically including architectural, structural, electrical, plumbing, solar, foundation, and mechanical plans, which must be stamped, if required. CONTRACTOR shall also provide itemized construction cost estimates for all aspects of plan design.
- 3.7 CONTRACTOR shall research diligently and review laws and regulations applicable to design and construction of the Project and correlate such laws and regulations with the TOWN's requirements. In the performance of this obligation, CONTRACTOR shall make all commercially reasonable efforts to ensure that the design of the Project complies with applicable laws, codes, regulations and requirements, including, but not limited to, Title I of the American with Disabilities Act 1990, as amended, and all fire safety laws, codes, regulations or requirements, including but not limited to all local, state and federal laws, codes, regulations and requirements.

- 3.8 In development of the Project, CONTRACTOR shall ascertain TOWN's requirements for the Project and shall verify and review such requirements with the TOWN and PROJECT REPRESENTATIVE. CONTRACTOR's review shall also provide to the TOWN a preliminary evaluation of the Site with regard to access, traffic, drainage, parking, building placement and other considerations affecting the building. CONTRACTOR shall also prepare architectural, civil, structural, mechanical, electrical and other systems for review by the TOWN. Design services required under this Agreement shall be performed by registered, independent design professionals. The standard of care for architectural and engineering services performed under this Agreement shall be the highest degree of care and skill used by design professionals practicing under the same time and locality conditions.
- 3.9 The contractual obligations of such professional persons or entities are undertaken and performed in the interest of TOWN. CONTRACTOR shall be responsible to the TOWN for the acts and omissions of CONTRACTOR's employees, subcontractors and their agents and employees, and other persons, including the Architectural Engineer and other design professionals, performing any portion of CONTRACTOR's obligations under this Article 3.
- 3.10 CONTRACTOR shall submit to the TOWN through the PROJECT REPRESENTATIVE the Design Documents for the Project and for the performance of the Work. The "Design Documents" consist of all plans, drawings, specifications and other conceptualized documents establishing the size, quality and character of the entire Project, its architectural, structural, foundation, plumbing, mechanical and electrical systems, and the materials and such other elements of the Project as may be appropriate to accurately and completely describe the Project and the Work.
- 3.11 CONTRACTOR agrees that it will use commercially reasonable efforts to provide that the design it creates for the Project will satisfy the functional requirements of the TOWN as set forth in the TOWN's Request for Proposal, attached hereto as Exhibit B. CONTRACTOR shall also ensure that its design is of a restroom and playground area that is generally of the size and scope that was set forth in CONTRACTOR'S proposal to the TOWN as "Town of Frisco Neighborhood Parks Conceptual Design, Walter Byron Memorial Park."
- 3.12 CONTRACTOR shall commence the design services upon the effective date of this Agreement, and shall conduct the design services required herein in a timely fashion to permit the Project to be completed in accordance with the Contract Times (Article 5).

# ARTICLE 4 CONSTRUCTION SERVICES

- 4.1 The construction services to be performed hereunder shall commence upon the issuance of a NOTICE TO PROCEED.
- 4.2 CONTRACTOR shall submit the Construction Documents to the PROJECT REPRESENTATIVE for review and approval by the TOWN. When CONTRACTOR submits the Construction Documents, CONTRACTOR shall identify in writing all material changes and

deviations that have taken place from the Design Documents or the Contract Documents in existence. "Construction Documents" shall include drawings, specifications, and other documents and electronic data setting forth in detail the requirements for construction of the Work, and shall:

- 4.2.1 be consistent with the intent of the TOWN's Project and the Design Documents;
  - 4.2.2 provide information for the use of those in the building trades; and
  - 4.2.3 include documents customarily required for regulatory agency approvals.
- 4.3 Pursuant to the terms of this Agreement, CONTRACTOR shall provide or cause to be provided and shall pay for construction services, installation, labor, materials, equipment, tools, construction equipment and machinery, water, heat, utilities, transportation and other facilities and services necessary for proper execution and completion of the Work, whether temporary or permanent and whether or not incorporated or to be incorporated in the Work.
- 4.4 CONTRACTOR shall comply with laws and ordinances legally enacted at the date of execution of the Agreement that govern the proper performance of the Work.
- 4.5 CONTRACTOR shall conduct the Work in accordance with the Contract Times (Article 5). CONTRACTOR shall adhere to the Contract Times and any changes made to such shall be mutually agreed to and evidenced by a Change Order.
- 4.6 CONTRACTOR shall be responsible for all construction means, methods, techniques, sequences and procedures, and for coordinating all portions of the Work.
- 4.7 CONTRACTOR shall be responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the Work, including safety of all persons and property during performance of the Work. This requirement will apply continuously with respect to the Work at the Site and not be limited to normal working hours.
- 4.8 CONTRACTOR shall comply with all applicable laws, ordinances, rules, regulations and lawful orders of any public authority having jurisdiction for the safety of persons or property or to protect them from damage, injury or loss in connection with the Work. CONTRACTOR shall erect and maintain, as required by law based upon existing conditions and progress of the Work, all reasonable safeguards for safety and protection including posting danger signs and other warnings against hazards, promulgating safety regulations and notifying owners and users of adjacent utilities.
- 4.9 CONTRACTOR shall pay royalties and license fees for patented designs, processes or products in connection with the Work. CONTRACTOR shall defend suits or claims for infringement of patent rights and shall hold the TOWN harmless from loss on account thereof, but shall not be responsible for such defense or loss when a particular design, process or product of a particular manufacturer is required by the TOWN. However, if CONTRACTOR has

knowledge that the use of a required design, process or product in connection with the Work is an infringement of a patent, CONTRACTOR shall be responsible for such loss unless such information is promptly furnished to the TOWN.

- 4.10 CONTRACTOR shall maintain at the Site for the TOWN and its PROJECT REPRESENTATIVE one set of Construction Documents, Change Orders and other modifications, in good order and regularly updated to record the completed construction. These shall be delivered to the TOWN upon final completion of the Project.
- 4.11 CONTRACTOR shall deliver all written warranties and equipment manuals with respect to the Work to the TOWN through the PROJECT REPRESENTATIVE upon final completion of the Project. CONTRACTOR shall warrant that the Work performed under this Agreement shall be free from material defect in workmanship or materials for a period of two years from the date of completion of the Work.
- 4.12 Upon final completion of the Project, CONTRACTOR shall produce and deliver to the TOWN through the PROJECT REPRESENTATIVE a reproducible record set of "as built" plans and specifications reflecting significant changes in the Work made during construction and the Project as actually built.
- 4.13 The Site and surrounding area shall be kept free from accumulation of waste materials or rubbish caused by CONTRACTOR's operations under this Agreement. At the completion of the Work, CONTRACTOR shall promptly remove from the Site waste materials, rubbish, CONTRACTOR's tools, construction equipment, machinery, and surplus materials and leave the Site and surrounding area in a neat and clean manner.
- 4.14 CONTRACTOR shall coordinate with the PROJECT REPRESENTATIVE and utility companies to connect utilities to the Project. The expense of delivering such utilities to the Site will be paid for by TOWN, separate and apart from the terms of this Agreement.
- 4.15 CONTRACTOR will be responsible for staffing a field office with the expertise necessary to properly execute the supervision and construction of the Project. CONTRACTOR shall be responsible for providing a competent Project Manager and Superintendent for the duration of the Project (the "Key Personnel"). The Key Personnel will be the on-Site point of contacts for CONTRACTOR and will coordinate construction efforts with the TOWN. The Key Personnel assume all duties and responsibilities for supervision and scheduling of all facets of construction including those of any subcontractors or suppliers for the Project. The Key Personnel shall be satisfactory to the TOWN, in its reasonable opinion, and shall not be removed or replaced, unless the Key Personnel are unable to perform their duties due to illness or injury. In such case, Key Personnel of similar experience and qualifications shall be substituted. CONTRACTOR shall be additionally responsible for providing on the Project labor foremen and workmen skilled in the crafts and trades that they are supervising or performing.
- 4.16 CONTRACTOR shall confine operations at the Site to areas permitted by law, ordinances, permits, and the Contract Documents and shall not unreasonably encumber the Site with any materials or equipment.

- 4.17 In connection with the Work, CONTRACTOR shall at all times be responsible for the conduct and discipline of its employees and to the extent within its reasonable control any Subcontractor or persons employed by Subcontractors. All workmen must have sufficient knowledge, skills and experience to perform properly the work assigned to them.
- 4.18 CONTRACTOR is solely responsible for scheduling and coordinating the performance and furnishing of the Work. Any construction subcontract, sub-agreement, supply or material contract entered into by CONTRACTOR shall be for the benefit of the TOWN.

## ARTICLE 5 CONTRACT TIMES

5.1 If the TOWN shall issue its Notice to Proceed with the Work on or before February 12, 2020, then the Work will be completed no later than October 31, 2020, and ready for final payment in accordance with paragraph 7.02 of the General Conditions within 180 days after said date.

## ARTICLE 6 CONTRACT PRICE

TOWN shall pay CONTRACTOR for completion of the Work in accordance with the Contract Documents an amount in current funds equal to the sum of the amounts determined pursuant to paragraph 6.1. below:

- 6.1. For preconstruction and design work, a sum not to exceed: FIFTY-FOUR THOUSAND NINE HUNDRED SIXTY-FIVE DOLLARS. (\$54,965.00); and, following completion of the preconstruction and design work, and upon approval of the design and its associated construction costs in the sole and absolute discretion of the Town, for construction work a sum not to exceed FIVE HUNDRED TWENTY THOUSAND THIRTY-FIVE DOLLARS (\$520,035.00).
  - 6.2. TOWN has appropriated funds equal to or in excess of the Contract Price.

#### **ARTICLE 7**

#### CONTRACT DOCUMENTS

The Contract Documents that comprise the entire agreement between TOWN and CONTRACTOR concerning the Work consist of the following:

7.1. This Agreement (pages 1 to 10, inclusive).

- 7.2. Exhibits to this Agreement
- 7.3. Performance, Payment, and other Bonds, to be provided pursuant to this Agreement.
  - 7.4. Notice to Proceed.
  - 7.5. General Conditions attached hereto as Exhibit A.
- 7.6. Construction Documents, Specifications and plans, to be developed pursuant to this Agreement.
  - 7.7. Design Documents, to be developed pursuant to this Agreement.
  - 7.7 TOWN's Request for Proposals.

There are no Contract Documents other than those listed above in this Article 7. The Contract Documents may only be amended, modified or supplemented as provided in paragraphs 2.3 and 3.5 of the General Conditions.

TOWN of Frisco

- 8.2. Terms used in this Agreement that are defined in the General Conditions will have the meanings indicated in the General Conditions.
- 8.3. No assignment by a party hereto of any rights under or interests in the Contract Documents will be binding on another party hereto without the written consent of the party sought to be bound; and, specifically but without limitation, moneys that may become due and moneys that are due may not be assigned without such consent (except to the extent that the effect of this

restriction may be limited by law), and unless specifically stated to the contrary in any written consent to an assignment no assignment will release or discharge the assignor from any duty or responsibility under the Contract Documents.

- 8.4. This Agreement is between TOWN and CONTRACTOR and no other person or organization shall be entitled to enforce any of its provisions or have any right under this Agreement.
- 8.5. TOWN and CONTRACTOR each binds itself, its partners, successors, assigns and legal representatives to the other party hereto, its partners, successors, assigns and legal representatives in respect to all covenants, agreements and obligations contained in the Contract Documents.
- 8.6. Nothing herein shall constitute a multiple fiscal year obligation pursuant to Colorado Constitution Article X, Section 20. Notwithstanding any other provision of this Agreement, TOWN's obligations under this Agreement are subject to annual appropriation by the TOWN Council of the TOWN. Any failure of the TOWN Council annually to appropriate adequate funds to finance TOWN's obligations under this Agreement shall terminate this Agreement at such time as such then-existing appropriations are to be depleted. Notice shall be given promptly to CONTRACTOR of any failure to appropriate such adequate monies.
  - 8.7. This Agreement is to be governed by the laws of the State of Colorado.
- 8.8. Except as set forth in the General Conditions, this Agreement may only be amended, supplemented, or modified in a written document signed by both parties.
- 8.9. Any provision or part of the Contract Documents held to be void or unenforceable under any Law or Regulation shall be deemed stricken, and all remaining provisions shall continue to be valid and binding upon TOWN and CONTRACTOR, who agree that the Contract Documents shall be reformed to replace such stricken provision or part thereof with a valid and enforceable provision that comes as close as possible to expressing the intention of the stricken provision.
- 8.10. This Agreement may be executed in two or more counterparts, using manual or facsimile signature, each of which shall be deemed an original and all of which together shall constitute one and the same document.
- 8.11. In the event of default of any of the provisions herein, the defaulting party shall be liable to the non-defaulting party for all reasonable attorney fees, legal expenses and costs incurred as a result of the default.
- 8.12 Delays in enforcement or the waiver of any one or more defaults or breaches of this Agreement by the TOWN shall not constitute a waiver of any of the other terms or obligations of this Agreement.

## EXHIBIT A TO DESIGN BUILD CONSTRUCTION CONTRACT

### **GENERAL CONDITIONS**

#### PART 1. DEFINITIONS

**1.01 CONTRACT DOCUMENTS**: The documents specified in Article 7 of the Design Build Construction Contract.

## 1.02 CHANGE ORDER:

A written order issued by the Town after execution of the Design Build Construction Contract authorizing an addition, deletion or revision in the Work, or an adjustment in the Contract Price or the Contract Time.

## 1.03 CONTRACT:

The entire written agreement covering the performance of the Work described in the Contract Documents including all supplemental agreements thereto and all general and special provisions pertaining to the Work and materials therefor.

## 1.04 CONTRACT PRICE:

The amount set forth in Paragraph 6.1 of the Design Build Construction Contract.

### 1.05 CONTRACT TIME:

The time for completion of the Project as set forth in Paragraph 5.1 of the Design Build Construction Contract.

### 1.06 DAY:

Calendar day, unless otherwise specified. When the last day for the occurrence of an event falls on a Saturday, Sunday or legal holiday as recognized by the Town, the time for performance shall be automatically extended to the next business day.

## 1.07 FINAL COMPLETION:

The date as certified by the Project Manager when all of the Work on the Project is completed and final payment may be made.

## 1.08 PROJECT:

The design and construction task or tasks more fully described in the Contract Documents.

### 1.09 PROJECT MANAGER:

The Town's duly authorized representative in connection with the Project.

## 1.10 SUBCONTRACTOR:

Any person, firm or corporation with a direct contract with Contractor who acts for or in behalf of Contractor in executing any part of the Contract, excluding one who merely furnishes material.

## 1.11 SUBSTANTIAL COMPLETION:

The date as certified by the Project Manager when the Town occupies or takes possession of all or substantially all of the Project, or when the Town may occupy or take possession of all or substantially all of the Project and put it to beneficial use for its intended purposes.

#### **1.12 TOWN**

The Town of Frisco, Colorado, a Colorado municipal corporation.

## 1.13 WORK:

All the work specified, indicated, shown or contemplated in the Contract Documents to construct the Project, including all alterations, amendments or extensions thereto made by supplemental agreements or written orders of the Project Manager.

## PART 2. TIME

## 2.01 TIME OF THE ESSENCE:

All times stated in the Contract Documents are of the essence.

## **2.02 FINAL ACCEPTANCE:**

Upon Final Completion, the Project Manager will issue final acceptance.

## 2.03 CHANGES IN THE WORK:

The Town reserves the right to order changes in the Work, in the nature of additions, deletions or modifications, without invalidating the Contract, and to make corresponding adjustments in the Contract Price and the Contract Time. All changes shall be authorized by a written Change Order signed by the Project Manager. The Change Order shall include appropriate changes in the Contract Documents and the Contract Time. The Work shall be changed and the Contract Price and Contract Time modified only as set forth in the written Change Order. Any adjustment in the Contract Price resulting in a credit or a charge to the Town shall be determined by mutual agreement of the parties before the work set forth in the Change Order is commenced. If a Change Order results in an increase in the Contract Price, approval of the Frisco Town Council may be required.

The Town shall provide Contractor with written assurance of additional appropriations should any change in the Work result in an increase in the Contract Price exceeding the amount originally appropriated for the Work.

## **2.07 DELAYS:**

- A. If Contractor is delayed in the progress of the Work by fire, unusual delay in transportation, adverse weather conditions not reasonably to be anticipated, or other unavoidable casualties beyond Contractor's control, the Contract Time shall be extended for a reasonable period of time.
- B. Any request for extension of the Contract Time shall be made in writing to the Project Manager not more than seven (7) days after commencement of the delay; otherwise it shall be waived. Any such request shall contain an estimate of the probable effect of such delay on the progress of the Work.
- C. Contractor shall not be entitled to any increase in the Contract Price, or to damages, or to additional compensation as a consequence of any such delays.

#### 2.08 NO DAMAGES FOR DELAY:

The Town shall not amend the Contract Price nor shall Contractor be entitled to additional compensation of any sort for costs or damages incurred as a result of any delays in performance unless such delay is the direct result of the acts or omissions of the Town or persons acting on behalf of the Town, in accordance with C.R.S. § 24-91-103.5.

## PART 3. CONTRACTOR'S RESPONSIBILITIES

### 3.01 COMPLETION/SUPERVISION OF WORK:

Contractor shall be responsible for completion of all Work in a timely and workmanlike manner in accordance with the terms and specifications of the Contract Documents, including the techniques, sequences, procedures and means. Contractor shall be responsible for the coordination of all Work. Contractor shall supervise and direct the Work and give it all attention necessary for proper supervision and direction. Contractor shall maintain a supervisor on site at all times when Contractor or any subcontractor is performing Work.

## 3.02 DUTY TO INSPECT AND CONTRACTOR'S REPRESENTATIONS:

Contractor shall inspect all Contract Documents, tests and reports, including soil tests and engineering tests, if applicable, and shall conduct a site or field review prior to executing the Contract. Contractor assumes the risk of all conditions which are disclosed, or which are reasonably suggested by any such tests or reports, or which would be disclosed by a field or site review. Contractor shall have the affirmative duty to advise the Town of any concerns which Contractor may have regarding construction conditions prior to executing the Contract.

In order to induce Town to enter into the Contract, Contractor makes the following representations:

- a. Contractor has examined and carefully studied the Contract Documents and the other related data identified in or related to the Contract Documents;
- b. Contractor has visited the site(s) and become familiar with and is satisfied as to the general, local and site conditions that may affect cost, progress, performance or furnishing of the Work:
- c. Contractor is familiar with and is satisfied as to all federal, state and local laws and regulations that may affect cost, progress, performance and furnishing of the Work; and
- d. Contractor has correlated the information known to Contractor, information and observations obtained from visits to the site(s), reports and drawings identified in the Contract Documents and all additional examinations, investigations, explorations, tests, studies and data with the Contract Documents.

### 3.03 FURNISHING OF LABOR AND MATERIALS:

- A. Contractor shall provide and pay for all labor, materials and equipment, including: tools; construction equipment and machinery; utilities, including water; transportation; and all other facilities and services necessary for the proper completion of the Work.
- B. While engaged in the performance of the Work, Contractor shall maintain employment practices that do not violate the provisions of the Colorado Antidiscrimination Act of 1957, C.R.S. § 24-34-301, *et seq.*, as amended.

#### 3.04 EMPLOYEES AND SAFETY:

- A. Contractor shall maintain at all times strict discipline of its employees, and Contractor shall not employ on the Project any person unfit or without sufficient knowledge, skill, and experience to perform properly the job for which the employee was hired.
- B. Contractor shall be fully responsible to the Town for the acts, negligence and omissions of all direct and indirect employees and subcontractors. The Contract Documents shall not be construed as creating any contractual relation between any subcontractor and the Town.
- C. Contractor shall provide for and oversee all safety orders and precautions necessary for the safe performance of the Work. Contractor shall take reasonable precautions for the safety of all employees and others whom the Work might affect, all work and materials incorporated into the Work, and all property and improvements on the Project site(s) and adjacent property.

## **3.05 CLEANUP:**

- A. Contractor shall keep the Project site(s) and adjoining ways free of waste material and rubbish caused by its employees or subcontractors. Contractor shall remove all such waste material and rubbish daily during construction, together with all tools, equipment, machinery and surplus materials. Contractor shall, upon termination of its Work, conduct general cleanup operations on the Project site(s), including the cleaning of all surfaces, paved streets and walks, and steps. Contractor shall also conduct such general cleanup operations on adjacent properties which were disturbed by the Work.
- B. If Contractor fails to perform the cleanup required by this Section, after written notice, the Town may cause the cleanup to be performed at Contractor's expense. Upon receipt of a statement for such cleanup, Contractor shall pay to the Town the costs incurred by the Town for such cleanup, or the Town shall have the right to withhold said amount from any final payment due to Contractor.

## 3.06 PAYMENT OF ROYALTIES AND LICENSE FEES:

Contractor agrees to pay all royalties and license fees necessary for the Project, and to defend against all actions for infringement of copyright or patent rights, and to save and hold the Town harmless from such actions.

## **3.07** TAXES, LICENSES AND PERMITS:

Contractor shall pay all taxes imposed by law in connection with the Project and shall procure all permits and licenses necessary for the prosecution of the Work.

## 3.08 SAMPLES AND SHOP DRAWINGS:

Contractor shall furnish, upon the request of the Project Manager, samples and shop drawings to the Project Manager, who shall review them for conformance with the Contract Documents. All Work shall comply with approved samples and drawings.

## 3.09 COMPLIANCE WITH LAWS AND REGULATIONS:

Contractor shall comply with all federal, state and local laws, ordinances, rules, regulations and orders in any manner relating to the Project. If any provision of the Contract Documents is at variance therewith, Contractor shall notify the Project Manager promptly.

#### 3.10 SUBCONTRACTORS:

- A. Contractor shall furnish to the Project Manager at the time the Construction Agreement is executed, a list of names of subcontractors to whom Contractor proposes to award the portions of the Work to be subcontracted by Contractor.
- B. Contractor shall not employ a subcontractor to whose employment the Project Manager reasonably objects, nor shall Contractor be required to hire a subcontractor to whose employment Contractor reasonably objects.
- C. All contracts between Contractor and subcontractor shall conform to the provisions of the Contract Documents, and shall incorporate the relevant provisions of the Contract Documents.

## 3.11 CORRECTIVE WORK:

When any Work does not conform to the Contract Documents, Contractor shall make the necessary corrections so that the Work will so conform. Such corrections shall be accomplished within the time period approved by the Project Manager, and such approval shall not be unreasonably withheld. Failure to complete such required corrections within the time period required shall constitute a breach of the Contract.

## 3.12 OTHER CONTRACTS:

The Town reserves the right to let other contracts in connection with the Project. Contractor shall cooperate with all other contractors so that their work is not impeded by the Work, and Contractor shall give other contractors access to the Project site(s) necessary to perform their contracts.

### 3.13 COMMUNICATION:

Contractor shall direct all communications to the Town regarding the Project to the attention of the Project Manager.

## PART 4. TERMINATION

## **4.01 LABOR DISPUTES:**

Notwithstanding any other provision contained in this Contract, in the event of any picket or other form of labor dispute at the construction site(s), Contractor shall continue to perform the Work without interruption or delay. If Contractor ceases performance of the Work because of such picket or other form of labor dispute, the Town may terminate the services of Contractor after giving forty-eight (48) hours' written notice of its intent to do so.

## 4.02 **DEFAULT:**

The Town may terminate this Contract upon seven (7) days' written notice to Contractor if Contractor defaults in the timely performance of any provision of the Contract Documents, or otherwise fails to perform the Work, or any part thereof, in accordance with the Contract Documents. Termination of the Contract by the Town shall not be the Town's exclusive remedy, and the Town may pursue such other remedies and actions lawfully available to the Town including, but not limited to, an action at law for damages against Contractor or any bonding agency issuing a bond hereunder, or an action in equity for injunctive relief.

## PART 5. WARRANTIES:

## 5.01 WARRANTY OR FITNESS OF EQUIPMENT AND MATERIALS:

Contractor represents and warrants to the Town that all equipment and materials used in the Project, and made a part of the Project, or placed permanently in the Project, shall be new unless otherwise specified in the Contract Documents. All equipment and materials used shall be of good quality, free of defects and in conformity with the Contract Documents. All equipment and materials not in conformity with the Contract Documents shall be considered defective.

### 5.02 GENERAL WARRANTY:

Contractor shall warrant and guarantee all material furnished and work performed by Contractor for a period of two (2) years from the date of final acceptance of the Project by the Project Manager. Under this warranty, Contractor agrees to repair or replace, at its own expense and under the direction of the Project Manager, any portion of the Project which fails or is defective, unsound, unsatisfactory because of materials or workmanship, or which is not in conformity with the provisions of the Contract. Should Contractor fail to perform any such work within the warranty period after a request by the Town, the Town may withdraw from the Performance and/or Payment Bonds any and all amounts necessary to complete the required work. The expiration of the warranty period shall in no way limit the Town's legal or equitable remedies, or the period in which such remedies may be asserted, for work negligently or defectively performed.

## PART 6. BONDS, INSURANCE AND INDEMNIFICATION

## 6.01 INDEMNIFICATION:

Contractor agrees to indemnify and hold harmless the Town and its officers, insurers, volunteers, representative, agents, employees, heirs and assigns from and against all claims, liability, damages, losses, expenses and demands, including attorney fees, on account of injury, loss, or damage, including, without limitation, claims arising from bodily injury, personal injury, sickness, disease, death, property loss or damage, or any other loss of any kind whatsoever, which arise out of or are in any manner connected with this Agreement if such injury, loss, or damage is caused in whole or in part by, the act, omission, error, professional error, mistake, negligence, or other fault of Contractor, any subcontractor of Contractor, or any officer, employee, representative, or agent of Contractor or of any subcontractor of Contractor, or which arise out of any worker's compensation claim of any employee of Contractor or of any employee of any subcontractor of Contractor.

## 6.02 NOTICE OF CLAIM:

If Contractor receives any claim arising from the performance of the Work, Contractor shall notify the Town in writing of the nature of the claim within twenty-four (24) hours of receipt of the claim by Contractor. In this notice, Contractor shall provide evidence that Contractor has notified Contractor's insurer of the claim. Contractor shall keep the Town apprised of the disposition of the claim, and Contractor shall take all necessary action to resolve the claim and make restitution, if required, as quickly as possible.

## 6.03 INSURANCE:

A. Contractor agrees to procure and maintain, at its own cost, a policy or policies of insurance sufficient to insure against all liability, claims, demands, and other obligations assumed by Contractor pursuant to this Agreement. Such insurance shall be in addition to any other insurance requirements imposed by law.

- B. Without limiting the generality of the foregoing, Contractor shall procure and maintain, and shall cause any subcontractor of Contractor to procure and maintain, the minimum insurance coverages listed below. Such coverages shall be procured and maintained with forms and insurers acceptable to the Town. In the case of any claims-made policy, the necessary retroactive dates and extended reporting periods shall be procured to maintain such continuous coverage.
  - 1. Worker's compensation insurance to cover obligations imposed by applicable law for any employee engaged in the performance of Work under the Contract, and Employer's Liability insurance with minimum limits of five hundred thousand dollars (\$500,000) each accident, one million dollars (\$1,000,000) disease policy limit, and one million dollars (\$1,000,000) disease each employee. Evidence of qualified self-insured status may be substituted for the worker's compensation requirements of this paragraph.
  - 2. Commercial general liability insurance with minimum combined single limits of at least one million dollars (\$1,000,000) each occurrence and two million dollars (\$2,000,000) general aggregate. The policy shall be applicable to all premises and operations. The policy shall include coverage for bodily injury, broad form property damage (including completed operations), personal injury (including coverage for contractual and employee acts), blanket contractual, products, and completed operations. The policy shall contain a severability of interests provision, and shall be endorsed to include the Town and the Town's officers, employees, and consultants as additional insureds. No additional insured endorsement shall contain any exclusion for bodily injury or property damage arising from completed operations.
  - 3. "All Risk" Builder's Risk insurance in a form acceptable to the TOWN upon the entire Project for the full cost of replacement at the time of any loss. This insurance shall include, as named insureds, the Town, Contractor, and any Subcontractors. This insurance shall include "all risk" insurance for physical loss or damage including without duplication of coverage, at least theft, vandalism, malicious mischief, transit, materials stored off site, collapse, falsework, temporary buildings, debris removal, flood, earthquake, testing, and damage resulting from defective design, workmanship or materials. The Contractor shall increase limits of coverage, if necessary, to reflect estimated replacement cost. The insurance shall be written without a co-insurance clause.
- C. Any insurance carried by the Town, its officers, its employees, or its consultants shall be excess and not contributory insurance to that provided by Contractor. Contractor shall be solely responsible for any deductible losses under any policy of insurance required by this Section 6.03.
- D. Contractor shall provide to the Town a certificate of insurance as evidence that policies providing the required coverages, conditions, and minimum limits are in full force and effect. The certificate shall identify this Contract and shall provide that the coverages afforded under the policies shall not be cancelled, terminated or materially changed until at least thirty (30) days prior written notice has been given to the Town. The Town reserves the right to request and receive a certified copy of any policy and any endorsement thereto.

## 6.04 PERFORMANCE AND PAYMENT BONDS:

Contractor shall furnish a Performance Bond and a Payment Bond, each in the full amount of the Contract Price, as security for the faithful performance and payment of all Contractor's obligations

under the Contract Documents, including the warranty. These bonds shall remain in effect at least until two (2) years after the date of Final Completion.

## PART 7. PAYMENT

## 7.01 PROGRESS PAYMENTS:

- A. The Town shall make periodic progress payments to Contractor within seven (7) days following the Project Manager's approval of the Work completed. The Project Manager shall approve Work completed, or shall provide Contractor, in writing, the reason(s) approval was withheld, within fifteen (15) days after the Contractor's written request for approval. A progress payment shall be made only after Contractor has submitted an application for a progress payment on a form approved by the Project Manager, and if requested by the Project Manager, Contractor shall submit copies of invoices from subcontractors or supplies and partial waivers executed by each.
- B. Progress payments shall be in an amount equal to ninety percent (90%) of the Work actually completed until fifty percent (50%) of the total Work on the Project, as determined by the Project Manager, is completed. Such determination shall include materials and equipment not incorporated in the Work but delivered to the Project Site and suitably stored. After fifty percent (50%) of the total Work is completed, no additional retainage shall be held. Any provision of this section notwithstanding, the Town shall not withhold any retainage amount for sums related to the procurement of insurance or bonds under the Construction Contract.
- C. If Contractor fails to complete any required Work within the time period agreed between Contractor and the Project Manager, or within any time period set forth in the Contract Documents, as modified or extended, the Town is expressly authorized to withhold any progress payment for such Work until such Work is completed.
- D. Whenever Contractor receives payment pursuant to this Contract, Contractor shall make payments to each of its Subcontractors of any amounts actually received that were included in Contractor's request for payment to Town for such subcontracts. Contractor shall make such payments within fifteen (15) days of receipt of payment from Town in the same manner as Town is required to pay Contractor pursuant to the Contract Documents if the Subcontractor is satisfactorily performing under its contract with Contractor. Nothing in this paragraph shall be construed to affect the retention provisions of the Contract Documents.

## 7.02 FINAL PAYMENT:

Upon final acceptance of the Project, the Town shall pay the Contractor the remainder of the Contract Price theretofore unpaid. Notwithstanding any other part of this Section, the Contractor agrees that the Town shall, when required by C.R.S. § 38-26-107(1), publish a "notice of final payment" in a legal Summit County newspaper prior to making final payment to the Contractor. This notice of final payment advertises the date, time, and place when final payment will be made and is intended to alert subcontractors so they can present any claims for unpaid amounts to the Town. The final payment procedure typically delays the final payment made to the Contractor of the retainage amount.

Regardless of whether "notice of final payment" is required by state statute, final payment shall not be made to the Contractor until the Town has complied with all applicable requirements of C.R.S. § 38-26-107 and all claims, if any, have been resolved to the satisfaction of the Town.

## 7.03 LIQUIDATED DAMAGES:

A. Because time is of the essence and delayed performance constitutes a compensable inconvenience to the Town and its residents, the liquidated damages established in this Section shall be enforced. Such damages are not a penalty. For each day Substantial Completion is delayed after the Substantial Completion date stated in the Design Build Construction Contract, as modified through approved change orders, Contractor shall be assessed the following amounts:

TWO HUNDRED DOLLARS (\$200.00) per Day, but in no event to exceed TWENTY THOUSAND DOLLARS (\$20,000.00).

B. Allowing Contractor to continue and finish the Work or any part thereof after the Substantial Completion date shall not operate as a waiver on the part of the Town of any of its rights under the Contract Documents. Any liquidated damages assessed shall not relieve Contractor from liability for any damages or costs of other contractors caused by a failure of Contractor to complete the Work in the Contract Time. Liquidated damages may be deducted from any payment due Contractor or the retainage. If the liquidated damages exceed the amount owed to Contractor, Contractor shall reimburse the Town.

## 7.04 ORAL AGREEMENTS PROHIBITED:

This Contract is expressly subject to the provisions of C.R.S. § 29-1-110(1), and Contractor acknowledges that neither the Town nor any employee or agent thereof is authorized to expend or contract for the expenditure of any monies in excess of those appropriated by the Frisco Town Council. The Town acknowledges and agrees that sufficient funds have been appropriated to pay the Contract Price, but Contractor shall not rely upon the appropriation of any monies or other funds in addition to those already appropriated unless and until the same are lawfully appropriated by the Frisco Town Council.

## 7.05 MATERIALS STORED BUT NOT INCORPORATED:

Payments may be made to Contractor for materials stored on the Project site(s) but not incorporated into the Work as evidenced by invoices or cost analyses of material produced, if the material has been fabricated or processed and is ready for installation into the Project and conforms with the Contract Documents. Payments shall not exceed eighty-five percent (85%) of the price shown in the Bid Schedule or one hundred percent (100%) of the certified invoice cost of the stockpiled material, whichever is less. Payment for stockpiled materials shall not relieve Contractor of responsibility for loss or damage to the material. Payment for living plant materials or perishable materials shall not be made until the living or perishable material is made an integral part of the finished Work.

## PART 8. MISCELLANEOUS

## **8.01 PUBLICATIONS:**

Any and all publications relating to the Project and authored by Contractor or any of its subcontractors shall be submitted to the Town for its prior written approval of the content of the publication. If the Town disapproves of the content of the publication, the author shall withdraw it from publication. The term "publication" as used herein shall include articles or letters to be published in any newspaper, magazine, trade journal or other periodical.

#### **8.02 CONFIDENTIALITY:**

Any and all reports, information, data, statistics, forms, designs, plans, procedures, systems, studies and any other communication form of knowledge given to or prepared or assembled by Contractor under this Contract shall, to the extent authorized and permitted by law, be kept as confidential and not be made available by Contractor to any individual, company or organization without the prior written consent of the Town. Notwithstanding the foregoing, Contractor shall not be restricted from releasing information in response to a subpoena, court order, or legal process, but Contractor shall notify the Town in writing before responding.

## **8.03** INDEPENDENT CONTRACTOR:

Contractor, for all purposes arising out of this Contract, is an independent contractor and not an employee of the Town. It is expressly understood and agreed that Contractor shall not be entitled to any benefits to which the Town's employees are entitled, such as overtime, retirement benefits, worker's compensation, injury leave or other leave benefits.

#### 8.04 CONFLICTS:

Should any conflict arise in the Contract Documents, the order of precedence is as follows:

- 1. Design Build Construction Contract.
- 2. Special Conditions.
- 3. General Conditions.
- 4. Supplemental Specifications.
- 5. Detailed Plans (Calculated dimensions will govern over scaled dimensions).
- 6. Standard Plans (Calculated dimensions will govern over scaled dimensions).

## INTRODUCTION

The Town of Frisco invites qualified firms or teams of firms to submit proposals for design/build services for the Walter Byron Restroom and Playground project. The project consists of the design and construction of a year-round restroom facility and new playground area.

Conceptual plans for improvements at Walter Byron Park were developed through a comprehensive community outreach process during the summer of 2019. A final concept plan for Walter Byron was adopted by Frisco Town Council on October 8, 2019. See Exhibit B. The concept plans included a new restroom building, and redesigned hardscape areas, playground, and picnic pavilion. The final design will need to conform with the conceptual design drawn by Norris Design.

The existing restroom building, built in 1992, is approximately 500 square feet in size and contains four stalls in two gender specific rooms, a maintenance room, and a small covered

entry area. The existing building is for summer use only. The priority for a new building is driven by the desire to create a building that can be heated, insulated, and open to the public year-round, as well as to meet current building standards and ADA requirements.

The existing playground area, installed in 2003, is approximately 4,800 square feet in size. The play structures include swings, slides, and climbing features appropriate for children ages 2-10 years. The priority for redevelopment of the playground area is to install updated swing, slide, and climbing equipment in an appropriate layout, with ADA accessibility, surrounded by a concrete curb and 4' wide sidewalk designated as a trike track.

Please take the time to carefully read and become familiar with the proposal requirements. All proposals submitted for consideration must be received by the time as specified above under the "SUBMISSION DEADLINE."

BIDDERS SHOULD NOTE THAT ANY AND ALL WORK INTENDED TO BE SUBCONTRACTED AS PART OF THE BID SUBMITTAL MUST BE ACCOMPANIED BY BACKGROUND MATERIALS AND REFERENCES FOR PROPOSED SUBCONTRACTOR(S) WITH THE EXCEPTION OF THE PLAY EQUIPMENT MANUFACTURER AND INSTALLER. THE TOWN WILL APPROVE THE SELECTION OF THE PLAY EQUIPMENT MANUFACTURER AND INSTALLER DURING THE DESIGN PROCESS.

## PROJECT AND LOCATION

The bid proposal is being requested for Walter Byron Restroom and Playground which is located at 10 Walter Byron Lane, Frisco, Colorado 80443.

## PROJECT OBJECTIVE

The objective and ultimate goal for this project is the design and construction of a new, year-round restroom facility and playground area at Walter Byron Park. The existing restroom was built in 1992 and is approximately 500 square feet in size. It is comprised of four toilet stalls and standard fixtures. The existing play structure was installed in 2003 and consists of swings, slides, and climbing structures. The contractor will need to demolish and remove the existing restroom facility and play structure. The Town of Frisco requests that the contractor pursues donation or reuse of the play equipment.

The new restroom facility will consist of a four stalls in two gender specific rooms with two-stalls per room, a mechanical chase and storage area, covered entrance, and outdoor water fountain. The new playground area will consist of an approximately 5,000 square foot play pit area surrounded by a 4' wide concrete sidewalk and curb, with equipment to include climbing, swing, and slide features appropriate for children ages 2-10.

Additional priorities for the project include: preserving the existing parking area, integrating the new restroom and playground areas into the existing parking lot, picnic pavilion, and pathways. It is expected that the contractor install fencing to allow the remainder of the park to remain open to the public during construction.

## PROJECT SCOPE AND SPECIFICATIONS

The successful design/build team will coordinate closely with town staff to ensure the successful design and implementation of the project.

**Services** – The design/build team will be responsible for providing the necessary services for the successful completion of the project including, but not limited to the following:

- Provide all design and construction services to implement the goals of this project, including but not limited to architectural and landscape architectural design, civil, electrical, structural, mechanical, and geotechnical engineering services and specialty design consultants as needed. Note: Detail design drawings will be based on the conceptual plan developed in 2019 by Norris Design
- Provide all construction services as needed to complete the design, cost estimation, permitting, and construction processes including scheduling, project administration, and management.
- Oversee the coordination of design development, cost estimation, and pricing with town staff to ensure project goals are being met.
- Manage and perform all construction services including permitting, scheduling, budget oversight, and the construction process. Note: Permit fees will be covered by the town however the permit submittal and management will be the responsibility of the selected design/build contractor.
- Effectively coordinate and communicate design and construction activities with town staff throughout the process.

**Scope** – The successful contractor will be solely responsible for the turnkey delivery of the Walter Byron restroom building, playground facility, and associated site work.

## Restroom Building -

The restroom building will meet all Frisco Town Code development requirements and 2018 International Building Code standards including ADA requirements.

- Size The rest room building should contain, at a minimum, two gender specific rooms with two toilet stalls each with adequate space to meet all applicable building codes and ADA accessibility requirements. The building should also contain a mechanical/storage room to access plumbing and mechanical equipment.
- Foundation The existing building is constructed on a pier foundation, with caissons 40" deep. The new restroom building may require a similar foundation type. Note: High water table may be present at the project site. It is the responsibility of the contractor to retain the services of a qualified geotechnical engineer to perform soil and ground water testing and incorporate appropriate foundation and building designs pursuant to their recommendations.
- Exterior Finish Building design and materials must meet Frisco Town Code Section 180-6.21 Non-Residential Development Standards. The recently built well house on the Frisco Peninsula Recreation Area, located at 612 Recreation Way, can be used as an example of the type and style of exterior finish materials to be used.
- Interior Finish and Fixtures The building should contain a minimum of three toilets, one urinal, two hand wash basins with faucets, hand dryers, automatic door lock system, a mop sink in the mechanical/storage room, and a water fountain/bottle filling station on the building exterior. The Marina Park restroom building, located at 249 Marina Road, can be used as an example of the type and style of the interior finish expected.
- Site and Hardscape Staff will work with design team to develop a plan for hardscape elements that will tie into existing parking areas, trails, paved pathways, and site features. Site work will include the demolition and removal of the existing building, all excavation associated with construction, foundation work, underground drainage, surface drainage, and water quality improvements. Hardscape elements will include concrete curb and sidewalk around the play pit area as well as other hard surfacing necessary to tie into the existing site features. The contractor is responsible for safety fencing surrounding the construction site while any construction or staging work is taking place. It is the town's intent to keep areas of the park not impacted by the restroom and playground construction to remain open and accessible to the public during the project. The parking area may be fenced off and utilized for staging purposes. Any damage to hardscape surfaces will be repaired by the contractor prior to completion.

## Playground and Hardscape Areas -

The playground area improvements should confirm to the general size, layout, and types of equipment shown on the Norris Design conceptual design dated October 8, 2019. Town staff will work closely with the contractor to solicit designs and bids from qualified playground equipment manufacturers. It is the town's intent to allow the community to weigh in on the final selection of playground equipment. The Town will facilitate the community outreach process. Town staff will make the final selection on the play equipment provider and installer. It is anticipated that approximately \$250,000 of the budget should be set aside for the play equipment, surfacing and installation. Town staff are currently pursuing grant funding to supplement the playground equipment budget.

## Additional Items -

- The contractor is responsible for coordinating with all code requirements with Town of Frisco and jurisdictions having authority including but not limited to: Summit Fire, and Frisco Sanitation.
- The contractor is responsible for coordination with all sub-contractors required to provide a complete and functional project.
- The contractor is responsible for coordination of all inspections, materials testing, permitting, etc. Note: High water table may be present at the project site. It is the responsibility of the contractor to retain the services of a qualified geotechnical engineer to perform soil and ground water testing and incorporate appropriate foundation and building designs pursuant to their recommendations.

## ADDITIONAL REQUIREMENTS

- Pre-Proposal Inspection Each candidate is responsible for inspecting the site as
  to the conditions under which he/she shall be obliged to operate or that shall in
  any manner affect the cost, progress or performance of the Work. Neglect of this
  requirement will not be accepted as a cause for delay or adjustment in fee.
- Withdrawal of Proposal No proposal shall be withdrawn for a period of sixty (60) calendar days after the Proposal deadline.
- Safety The successful candidate is responsible for administering and enforcing a project safety program in accordance with local, state, and federal requirements.
- Debris Successful candidate is responsible for disposal of all refuse generated by their work **daily** and is responsible for prudent protection. Any damage caused

- by the performance of the candidate's work will be the candidate's responsibility to repair.
- Protection of Premises Contractor is responsible for protection of all surfaces adjacent to the construction area or that may be damaged during construction activities. These areas include, but are not limited to, parking surfaces, landscaping and driving surfaces, and existing buildings and structures. The contractor is expected to prudently protect such areas to prevent damage. The contractor shall be responsible for any and all repairs to existing finishes in order to bring them back to pre-construction conditions.

## PROPOSAL BIDDING REQUIREMENTS

Submittals will be reviewed by a selection committee to determine which candidate offers the best value to the Owner. Please organize your RFP response using the following outline. Separate each section with dividers or tabs using the appropriate section labels.

## **SECTION 1 – LETTER OF INTEREST**

A maximum one-page letter of interest that includes a synopsis of the firm, business

principals, distinguishing characteristics, approach to completing this project, primary contact information, and signed by the principal- in-charge. Include in the introductory information a description of your team's legal structure: integrated Design/Builder, Joint Venture, Limited Liability Corporation, Prime-Sub-Contractor or others. If a Joint Venture provide a copy of your Joint Venture agreement in addition.

## SECTION 2 – TEAM STRUCTURES, EXPERIENCE AND RESUMES

Organizational Chart: Please provide a team organizational chart showing each proposed team member, their associated role and their anticipated time commitment throughout the project. The town reserves the right to determine the acceptability of these individuals.

Resumes & Reference Letters: Provide resumes for each proposed team member, highlighting recent design/build and construction experience and including references. Provide reference letters for each of the key team members

Team Structure: Describe the proposed contractual relationship between firms (if multiple) and describe how the firms will be coordinated and work will be managed. In addition, please identify what work the team intends to self-perform and what work will be subcontracted to other companies.

Team Integration: Describe the interactions within the team and with the town during design and construction. Provide information on how your design/build team will manage communication between team members, the town, and sub-contractors.

Example Projects: Provide up to three (3) examples of relevant project experience, in progress or completed by your proposed team members during the past five years. Please identify which proposed team member was on the project listed and what their role was on that project.

- Please focus on projects that best represent your experience with similar projects such as work completed in the area, work completed in similar regions, and work completed with the design/build team.
- The team should explain and provide examples of relevant design/build experience. The town may consider previous design/build experience strength regardless of project type. Similarly, the town may consider previous recent teaming experience as added value with the more relevant the experience receiving the most credit.
- Please provide size of project, cost, budget, start and completion dates of design and construction.
- Provide contact information for the project Owner as well as the Owner's Representative (if there was one).
- Please provide a brief description of similarities to this project and any unique lessons learned that will be applied.

## **SECTION 3 - PROJECT APPROACH**

Please describe your firm or organization's philosophy and experience with design/build projects and what you do to ensure best value to the town. In your response, please address the following:

- Briefly describe the benefits to the town of the design/build process and what your firm does to maximize those benefits. Please use examples.
- Describe the role and interaction of the design team with the construction team throughout the project. Provide information on how your design/build team will manage interaction of team members; town comments, and the design team's involvement throughout construction.
- Describe your Team's approach to the building architectural design and how you provide a design that is appropriate for the community and incorporates the specific needs of the town.
- Describe the process for submittal review, requests for information and change order requests and how and when you interface with the town's representative.
- Describe your process for project closeout including as-builts, final commissioning, warranties, and O&M's. Discuss how you intend to provide a functional final product within any schedule constraints that may occur.

## **SECTION 4 - SCHEDULE**

Provide a detailed schedule, including milestones and opportunities for town staff and community input from the notice to proceed date through post-occupancy services. Provide a brief narrative of anticipated schedule risks and your ability to mitigate them as well as any ability your schedule allows to address unforeseen risks or delays. Additionally, discuss the ways you intend to react to potential delays if they affect project schedule.

## **SECTION 5 - COST**

The proposal shall include proposed fees the contractor anticipates based on the plans and information presented in this RFP. Fees should be based as much as possible on unit prices where units are noted, or as a lump sum where appropriate. Include bonding costs in fee proposal, as well as any other costs anticipated.

## **Selection and Contracting Provisions**

Right to Reject any and All Proposals – Failure of the candidate to provide any information requested in the RFP may result in the disqualification of the submitted proposal. The town reserves the right to select any or reject any and all submissions in its best interest. The town also reserves the right to pre- qualify any or all proposers or reject any or all proposers as unqualified, including without limitation, the right to reject any or all nonconforming, nonresponsive, unbalanced, or conditional, qualifications. Likewise, the Owner also

reserves the right to re-solicit, waive all informalities not involving price, time, or changes in the work, and to negotiate contract terms with the apparent successful candidate.

Withdrawal of Bids – No bid man be withdrawn for a period of sixty (60) calendar days after the bid due date.

Insurance Requirements – The selected firm will be required to maintain insurance at or above the limits listed in the standard Town of Frisco Contract, Exhibit A.

Verification of Information - Candidates are hereby notified that the town will rely on the accuracy and completeness of all information provided in making its selection. As such, candidates are urged to carefully review all information provided to ensure clarity, accuracy and completeness of such information. As the town deems necessary and appropriate in its sole discretion, the town reserves the right to make any inquiries or other follow up required to verify the information provided. The town reserves the right to select any or reject any and all submissions in their best interest.

Disclosure of Information - All submissions and other materials provided or produced pursuant to this RFP may be subject to the Colorado Open Records Law, CRS 24/72/201 ET. Seq. As such, candidates are urged to review these disclosure requirements and any other exceptions to disclosure of information furnished by another party and, prior to submission to the Town of Frisco, appropriately identify materials, which are not subject to disclosure. In the event of a request by the town for disclosure of such information, the town shall advise the candidate of such request to give the candidate an opportunity to object to the disclosure of designated confidential materials furnished to the town.

Discrimination in Employment - In connection with the performance of work on this project the selected Design Build Contractor agrees not to refuse to hire, discharge, promote or demote, or to discriminate in matters of compensation against any person otherwise qualified, solely because of race, color, religion, national origin, gender, age, military status, sexual orientation, marital status, or physical or mental disability; and the Service Provider further agrees to insert the foregoing provision in all subcontracts hereunder.

Applicable Laws - This selection process and the performance of any selected shall be subject to, governed by and construed in accordance with applicable Federal Laws, the laws of the State of Colorado, and other applicable regulations as the same may be amended from time to time.

Cost of Developing Qualifications - Any costs associated with developing qualifications, preparing for and attending an interview is the sole responsibility of the Service Provider. The town assumes no liability for any costs incurred throughout the entire selection process.

Qualification Ownership - All qualifications, including attachments, supplementary materials, sketches, etc. shall become the property of the town and will not be returned

to the candidate.

Addenda - As the town may require, addenda may be issued to supplement this RFP. All candidates in receipt of the RFP are considered registered. The list of registered participants will be used to issue all communications regarding this RFP, including formal addenda and date changes. It shall be conclusively presumed that each candidate submitting a response has received all subsequent communications relating to the project. Candidates will be responsible for all such information issued by this method.

Assignment - The successful Candidate is prohibited from assigning or subcontracting the whole or any part of the contract without the prior written consent of the town.

Contract – The successful firm will be required to enter into a written contract with the town in a form acceptable to the town.

## PROPOSAL SELECTION CRITERIA

Only those proposals received by the stated deadline will be considered. All proposals, submitted by the deadline, will be reviewed and evaluated based upon information provided in the submitted proposal. In addition, consideration will be given to cost and performance projections. Furthermore, the following criteria will be given considerable weight in the proposal selection process:

- Proposals received by the stipulated deadline must be in the correct format.
- Bidder's alleged performance effectiveness of their proposal's solution regarding the Project Objective of Town of Frisco.
- Bidder's performance history and alleged ability to timely deliver proposed services.
- Bidder's ability to provide and deliver qualified personnel having the knowledge and skills required to effectively and efficiently execute proposed services.
- Overall cost effectiveness of the proposal.

Town of Frisco shall reserve the right to cancel, suspend, and/or discontinue any proposal at any time they deem necessary or fit without obligation or notice to the proposing bidder/contractor.

1. If Owner is not in Default under the Construction Contract, Surety's obligation under this Bond shall arise after:

Notice to the Surety and during the life of the guaranty period, and if shall satisfy all claims and demands incurred under such Agreement, and shall fully indemnify and save harmless the Owner from all cost and damages which it may suffer by reason of failure to do so, and shall reimburse and repay the Owner all outlay and expense which the Owner may incur in making good any

1.1 Owner has notified Principal and Surety at its address listed herein that Owner by seven days' written notice intends to terminate the services of Principal or otherwise declare Principal to be in default of its obligations under the Construction Contract; and

- 1.2 Owner has declared Principal to be in Default and formally terminated Principal's right to complete the Construction Contract; and
- 1.3 Owner has agreed to pay the Unpaid Balance of the Contract Price to Surety in accordance with the terms of the Construction Contract or to a Principal selected to perform the Construction Contract in accordance with the terms of the Construction Contract with Owner.
- 2. When Owner has satisfied the conditions of paragraph 1, Surety shall promptly and at Surety's expense take one of the following actions:
- 2.1 Arrange for Principal, with consent of the Owner, to perform and complete the Construction Contract; or
- 2.2 Undertake to perform and complete the Construction Contract itself, through its agents or through independent Principals; or
- 2.3 Obtain bids or negotiated proposals from qualified Principals acceptable to Owner for a contract for performance and completion of the Construction Contract, arrange for a contract to be prepared for execution by Owner and the Principal selected with Owner's concurrence, to be secured with the performance and payment bonds executed by a qualified Surety equivalent to the Bonds issued on the Construction Contract, and pay to Owner the amount of damages as described in paragraph 4 in excess of the Unpaid Balance of the Contract Price incurred by Owner resulting from the Principal's Default; or
- 2.4 Waive its right to perform and complete, arrange for completion, or obtain a new Principal and with reasonable promptness under the circumstances, after investigation, determine the amount for which it is liable to Owner and, as soon as practicable after the amount is determined and approved by Owner, tender payment therefor to Owner.
- 3. If Surety does not proceed as provided in paragraph 2 with reasonable promptness, Surety shall be deemed to be in default on this Bond 15 days after receipt of an additional written notice from Owner to Surety demanding that Surety perform its obligations under this Bond, and Owner shall be entitled to enforce any remedy available to Owner. If Surety proceeds as provided in subparagraph 2.4 and Owner refuses the payment tendered or Surety has denied liability, in whole or in part, without further notice, Owner shall be entitled to enforce any remedy available to Owner.
- 4. After Owner has terminated Principal's right to complete the Construction Contract, and if Surety elects to act under subparagraph 2.1, 2.2, or 2.3 above, then the responsibilities of Surety to Owner shall not be greater than those of Principal under the Construction Contract, and the responsibilities of Owner to Surety shall not be greater than those of Owner under the Construction Contract. To the limit of the amount of this Bond, but subject to commitment by Owner of the unpaid balance of the Contract Price and to mitigation of costs and damages on the Construction Contract, Surety is obligated without duplication for:

- 4.1 The responsibilities of Principal for correction of defective work and completion of the Construction Contract; and
- 4.2 Additional legal, design professional and delay costs resulting from Principal's Default, and resulting from the actions or failure to act of Surety under paragraph 2; and
- 4.3 Liquidated damages, or if no liquidated damages are specified in the Construction Contract, actual damages caused by delayed performance or non-performance of Principal.
- 5. Surety hereby waives notice of any change, including changes to the Construction Contract or to related subcontracts, purchase orders and other obligations.
- 6. Any proceeding, legal or equitable, under this Bond may be instituted in any court of competent jurisdiction in the location in which the Work or part of the Work is located and shall be instituted within two years after Owner declares Principal to be in default or within two years after Principal ceased working or within two years after Surety refuses or fails to perform its obligations under this Bond, whichever occurs first. If the provisions of this paragraph are void or prohibited by law, the minimum period of limitation available to Sureties in the State of Colorado shall be applicable.

hereinafter referred to as "the Surety", are held and firmly bond unto the Town of Frisco, Colorado, a municipal corporation, hereinafter referred to as "the Owner", in the amount of
NOW, THEREFORE, if the Principal shall make payment to all persons, firms, subcontractors and corporations furnishing materials for or performing labor in the prosecution of the work provided for in the Construction Contract, and any authorized extension or modification thereof, including all amounts due for materials, lubricants, repairs on machinery, equipment and tools, consumed, rented or used in connection with the construction of such work, and all insurance premiums on said work, and for all labor performed in such work, whether by subcontractor or otherwise, then this obligation shall be void; otherwise to remain in full force and effect. PROVIDED, FURTHER,
1. That Surety shall have no obligation to Claimants under this Bond until:

1.2 Claimants who do not have a direct contract with Contractor:

given notice to Surety and sent a copy, or notice thereof, to the Owner, stating that a claim is being

made under this Bond and, with substantial accuracy, the amount of the claim.

1.1 Claimants who are employed by or have a direct contract with Contractor have

1.2.1 Have furnished written notice to Contractor and sent a copy, or notice thereof to Owner, up to and including the date of final settlement under the Construction Contract, stating with substantial accuracy the amount of the claim and the name of the party to whom materials were furnished or supplied or for whom labor was done or performed; and

- 1.2.2 Have either received a rejection in whole or in part from Contractor, or not received within 30 days of furnishing the above notice any communication from Contractor by which Contractor has indicated the claim will be paid directly or indirectly; and
- 1.2.3 Not having been paid within the above 30 days, have sent a written notice to Surety and sent a copy, or notice thereof, to Owner, stating that a claim is being made under this Bond and enclosing a copy of the previous written notice furnished to Contractor.
- 2. If a notice required by Section 1 is given by Owner to Contractor or to Surety, that is sufficient compliance.
- 3. When a Claimant has satisfied the conditions of paragraph 1, Surety shall promptly and at Surety's expense take the following actions:
- 3.1 Send an answer to the Claimant, with a copy to Owner, within 45 days after receipt of the claim, stating the amounts that are undisputed and the basis for challenging any amounts that are disputed; and
  - 3.2 Pay or arrange for payment of any undisputed amounts.
- 4. Surety's total obligation shall not exceed the amount of this Bond, and the amount of this Bond shall be credited for any payments made in good faith by Surety.
- 5. Amount owed by Owner to Contractor under the Construction Contract shall be used for the performance of the Construction Contract and to satisfy claims, if any, under the Construction Performance Bond. By Contractor's furnishing and Owner's accepting this Bond, they agree that all funds earned by Contractor in the performance of the Construction Contract are dedicated to satisfy obligations of Contractor and Surety under this Bond, subject to Owner's priority to use the funds for the completion of the Work.
- 6. Owner shall not be liable for payment of any costs or expenses of any Claimant under this Bond, and shall have under this Bond no obligation to make payments to, give notices on behalf of, or otherwise have obligations to Claimants under this Bond.
- 7. Surety hereby waives notice of any change, including changes to the Construction Contract or to related subcontracts, purchase orders and other obligations.
- 8. Any proceeding, legal or equitable, under this Bond may be instituted in any court of competent jurisdiction in the location in which the Work or part of the Work is located and shall be instituted within two years after Owner declares Contractor to be in default or within two years after Contractor ceased working or within two years after Surety refuses or fails to perform its obligations under this Bond, whichever occurs first.
