

BUSINESS GUIDE

Governor Polis issued the [Safer at Home Executive Order](#) on April 27 and Summit County Public Health issued an [amended Public Health order](#) on April 28 that defines a gradual easing of social distancing restrictions. The Summit County Public Health amended order largely aligns with the “Safer at Home” guidance from the State of Colorado, with some additional restrictions.

If your business has made operational adjustments in order to comply with the Safer at Home Order and you would like to be listed here, please email NoraG@townoffrisco.com.

The Business Guide will be updated Monday - Friday. *Updated May 14, 2020 at 4:30pm.*
