

SUBMITTAL REQUIREMENTS: RAPID REVIEW JOINT SUBMITTAL

General Explanation:

In an effort to ease the paperwork and review period of minor projects, Frisco Community Development has established the Rapid Review Joint Application form. A Rapid Review Joint Application shall not be used for structural changes to the building footprint or height. The Rapid Review Joint Application is submitted and circulated online to both Planning and Building Divisions when applicable. **Once the application is submitted online in completion and the fees have been paid, we will make every effort to the turn the permit around within 3 business days.** Applications are administratively reviewed and approval is required. **Checks and credit cards are accepted on all permits in the chart below online in CommunityCore.**

APPLY HERE: [CommunityCore Online Permit Link](#)

Below is information you will need to complete online:

- . Project Street Address & Unit Number(s)
 - . Description of Work
 - . Contractor Name/Address
- . Applicant Name/Address
 - . Owner Name/Address
 - . Contractor's Town of Frisco Business License

Valuation of Work The estimated cost to replace the building or structure in kind, based on current replacement costs The total value of all construction work, including materials, labor, and contractor profit, for which the permit is issued, as well as all finish work, painting, roofing, electrical, plumbing, heating, air conditioning, elevators, fire protection systems and any other permanent equipment. *Note: In accordance with Frisco Town Code Section 65-12 A(3), the Building Official shall set final building permit valuation.*

- If the applicant is not the owner, then a statement by the owner consenting to this application shall be submitted with the application.
- Written permission from the homeowners association is required for any improvements proposed on common area.
