Scope of Work

The Town of Frisco is looking for various concrete repairs throughout the Town. The contractor is responsible for furnishing a bid for approximately 570 lineal feet of 3' wide drain pans, 180 square feet of sidewalk at 5" thickness (30'Lx6'Wx5"D), a 30 lineal foot concrete driveway entrance with sidewalk, and 80 lineal feet of 30" curb & gutter. The contractor is required to supply all labor, materials, tools, and other necessary incidentals needed to complete this project. All concrete will be removed by the Town of Frisco.

Due to the location of the 3' drain pans, the work will need to be completed in two separate phases. Phase one of the 3' drain pan repair must be cured enough to accept vehicle traffic prior to Phase two work commencing.

All traffic control will be provided by the Town of Frisco

Nothing herein shall require the Town of Frisco to accept any proposal and the Town of Frisco reserves the right to reject any or all proposals. This proposal shall remain open and not withdrawn for a period of 45 days from the date designated for its due date.

[The Town requires that a certified or cashier's check be deposited or that a corporate surety bond in the amount of five (5%) of the total bid amount be provided before the

Town can accept or consider any bid.] The bid [and the deposit or bond] shall be filed with the Public Works Department, securely sealed and endorsed on the outside with a brief statement as to the nature of the item or work which is to be provided. [Upon a bid award, such deposit or bond shall be returned to the unsuccessful bidder(s). In the case of the successful bidder, the deposit or bid bond will be returned upon receipt of the required payment and performance bonds, each in the full amount of the contract price.]
