

## **Town of Frisco, Colorado Request for Proposals Video Surveillance System**

### **Addendum #2**

This Addendum #2, dated December 28, 2021, is to clarify camera details. Under the “Details” of the Request for Proposals, camera specifics to include:

“Up to 365 days of retention on the cameras themselves”

is revised to read,

“Ability to retain all footage for 30 days on the physical camera, and 365 days of retention on the cloud-based video management system.”
