

REQUEST FOR PROPOSALS

The Town of Frisco invites qualified firms to submit proposals to provide planning and engineering services to develop a design concept for Triangle Park. The Town has prioritized vibrant recreation as a guiding principle and seeks to improve and upgrade existing parks. With this goal in mind, this project will develop a park design for Triangle Park based on best usage of space and community input.

**All proposals are due no later than 4:00 pm
Wednesday, April 26, 2023.**

More information can be found at www.friscogov.com
