KNOW BEFORE YOU GO:

LEAVE IT AS YOU FIND IT:

TRASH THE TRASH:

Do your research to know what you'll need. Take a reusable water bottle everywhere

Take home the beauty in a photo and not in your backpack.

If you pack it in, pack it out — even food scraps and poop! If you come across trash, pick it up.

BE CAREFUL WITH FIRE:

KEEP WILDLIFE WILD:

Keep campfires small, and put them out until you can handle the embers.

No feeding, approaching or touching, no matter how cute they are.

SHARE OUR TRAILS & PARKS:

BEFORE YOU EXPLORE

Yield to the uphill bikers and hikers; silence your cell phone and search for the trail less traveled.
