**How long have you lived in the Town of Frisco? Also describe any other connections to Frisco beyond just residency, if applicable.**

I have lived in Summit County for 26 years, spending most of that time in Frisco, with some years in Silverthorne. For over 20 years, I have operated two real estate businesses on Frisco Main Street, which has naturally led to involvement in economic development and business-focused working groups.

My contributions in shaping our town has included serving on various private and town committees, including helping craft the original RFP for Mercy Housing and later serving on the committee for the then Town of Frisco owned property, now known as Peak 1. A previous council's foresight in acquiring this property decades earlier was instrumental in this opportunity. Most recently, I served on the committee for the update to the Town of Frisco Comprehensive Plan. I also regularly attend Planning Commission meetings to stay informed about upcoming projects, zoning changes, and code updates affecting our community.

**Why are you interested in serving on Frisco Town Council?**

I care deeply about Frisco and about preserving its character and charm. This is what brings visitors to our Main Street and, together with the Summit Boulevard corridor as our economic engine, they form the backbone of our local economy.

I strive to perform to the level that the Town Staff, Planning Commission, and the property owner did for the thoughtful work that brought Foote's Rest to life. The use of the historic overlay and the commitment to preservation, honoring one of our town's matriarchs and related historic properties. It will be an enduring legacy our community can enjoy for generations.

My wife, Joy, and I have raised our kids here. They both graduated from Frisco Elementary and Summit Middle School and now attend Summit High School. While our kids were at Frisco Elementary, Joy worked there as a paraprofessional—a job she continues today. We both care deeply about Frisco and do our best to give back to the community that has offered our family so much

**Education, Philanthropic/Volunteerism, and Work Experience:**

Bachelors degree from NDSU in their Construction Management and Engineering program (CME).

Former Vice President of Pacific Operations for Abhe & Svoboda, Inc., an international infrastructure construction and repair contractor.

Volunteered as Instructor for the Summit Combined Housing Authority 'First Time Homebuyer Class'.

Performed credit counseling and repair for first time homebuyers as a result of the above volunteer program in conjunction with a prominent local mortgage company.

Awarded coveted 'Standards of Excellence' by peer vote for industry service in 2012, 2015, 2022 and 2023.

**In your opinion, what are your top 3 (yes, narrow them to a maximum of 3), issues facing the Frisco community?**

Retail business disruption of exit 203 interchange construction.

Decreasing revenue due to the above combined with an economic pullback due to current drought conditions.

Continued community vibrancy balanced with our tourist and sales tax based revenues.
