**How long have you lived in the Town of Frisco? Also describe any other connections to Frisco beyond just residency, if applicable.**

I started spending time in Summit County when I moved to Colorado in 2001 and later Frisco when friends moved into Drake Landing. It was then that I decided Frisco was the place for me. When I was in a position to take up residence in Frisco, I jumped at it, and have only grown more fond of the community over years.

**Why are you interested in serving on Frisco Town Council?**

Frisco is a place that I have grown to love. I have always wanted to get more involved in the community and after turning 50 this past December, I decided this was the time to take action. I believe that my experience of seeing Frisco change (in good ways and bad) over the past 15 years in conjunction with my background as a lawyer would bring a unique perspective and skill set to Town Council.

**Education, Philanthropic/Volunteerism, and Work Experience:**

I received an undergraduate degree in Environmental Studies and Political Science from the University of Vermont and then moved to Colorado when I was 25. At 30 I decided to go to law school and received a law degree from the University of Denver. I have practiced law in Colorado for the past 16 years focusing my practice on healthcare. I am an environmental and health advocate.

**In your opinion, what are your top 3 (yes, narrow them to a maximum of 3), issues facing the Frisco community?**

## 2026 Town Council Candidate Biographical Information : Entry # 5312

Balancing necessary growth allowing local businesses to thrive while maintaining historic town values.

Continued capital improvements for community members that also cater to tourism without becoming a tourist town and that protect and foster the natural environment and habitat.

Fostering economic and public frameworks to support local businesses and workforce and all community members aimed to keep and improve Frisco as a great place to live, work and recreate.

### What are your top 3 (yes, narrow them to a maximum of 3), favorite characteristics of Frisco?

Frisco is a place to live, not just a place to visit. Frisco's location is the best in Summit County, it is home to panorama mountain views and Lake Dillion offering access to all the outdoor activities one could ask for. I am happiest ski touring Peak One or riding the Peninsula trails. At the same time, there is access to all the services you need - education, healthcare, day-to-day products and services, unique local shops. The thoughtful and vibrant community members make Frisco a great place to live.
