How long have you lived in the Town of Frisco? Also describe any other connections to Frisco beyond just residency, if applicable.

I have lived in the Town of Frisco for over 6 years. Beyond residency, I own and operate a local business serving Frisco and surrounding Summit County communities. My work involves year-round coordination with residents, HOAs, and local regulations, giving me hands-on experience with the practical impacts of town policies.

Why are you interested in serving on Frisco Town Council?

Frisco has been my home for the better part of a decade, and I still pinch myself every time I walk down Main Street just to be sure I'm not living in a Hallmark movie dream. I am incredibly grateful to live here and have a deep passion for seeing Frisco continue to be an example of how a small community can strengthen its culture and prosper during times of growth and economic change. I am interested in serving on Town Council to help ensure that our local voices (including residents, businesses, and our workforce) remain central to the decisions shaping Frisco's future.

In your opinion, what are your top 3 (yes, narrow them to a maximum of 3), issues facing the Frisco community?

1. Protecting our local community through affordable living options

This can be accomplished with the right mix of programs and incentives that keep investment and development attractive, while also giving local families and members of our workforce a real opportunity to live and own homes in Frisco.

2. Supporting and protecting local businesses

Our locally owned, “mom-and-pop” businesses are a defining part of Frisco’s charm and culture. It is important to consider the impacts on local businesses when making development, infrastructure, or policy decisions, so Frisco remains a place where small businesses can succeed.

3. Preserving and strengthening Frisco’s culture

Frisco is known as a town that truly feels like a local community. That sense of place is what draws people here and encourages them to stay. We must remain mindful of preserving our public spaces, parks, and historic character. Provide opportunities that make Frisco a great place for our kids and future generations.

What are your top 3 (yes, narrow them to a maximum of 3), favorite characteristics of Frisco?

1. A community that works for all generations

Frisco offers a rare balance where kids can truly grow up being kids, adults can raise a family, and the elderly can retire while continuing to thrive. That multi-generational quality of life is one of Frisco’s greatest strengths.

2. Unique local businesses and recreation offerings

Frisco’s locally owned businesses and access to outdoor recreation are central to its identity. These elements create a strong year-round community and distinguish Frisco from being solely a tourism destination.

3. Strong community engagement and events

Frisco’s community events bring people together and create shared experiences across all ages. From traditions as the Spontaneous combustion, to free weekly summer music, and races and events for every person to partake in or enjoy.
