  - 4<sup>th</sup> of July Float Commission- Go with a float that is livelier, emphasize a 150/250 theme, and encourage music on the float
  - Old Town Hall Park Mosaic- Supportive of issuing an RFP, and it would likely be under \$5,000. Need to emphasize using the correct materials that will withstand weather issues.
  - PRA Mural- Snowmaking building by the Nordic Center is available for a mural. Revisit tunnel finalists and rec path muralists for this project and see if any of these artists would work for this project.
