

Public Works Fire Hydrant Water Usage

Company Name: _____

Company Contact: _____

Billing Address: _____

Phone #: _____

Intended Water Use: _____

A current Town of Frisco business license is required of all contractors using water from a Town of Frisco fire hydrant. Business licenses can be obtained through link below:

<https://www.frisco.gov/departments/finance/business-licenses/>

A one-time, up front \$100.00 connection fee will be charged for connecting to a hydrant.

Cost for water is \$5.00 per one thousand (1,000) gallons.

Billing is quarterly for ongoing projects. Projects lasting less than one quarter will be billed for the full duration of the project

All equipment must be inspected by the water department prior to first fill.

Tampering with any Town of Frisco hydrant is cause for termination of this agreement. Water service may be terminated at any time determined necessary by the Frisco Water Department.

I agree with these terms X _____

Amount Due Upon Receipt: \$100.00

To pay one time connection fee, please contact Ashley Hinton Public Works Office Manager at:
