| Town of Frisco | ADM-26-0024   | Planning | Administrative Site Plan               | 34 Hawn DR, FRISCO, CO 80443         | Installing hot tub on ground, no new slab or pavers directly on the ground.<br><br>Remove and replace the existing balcony decking and guardrail systems on a total of 52 balconies at the Cross Creek Condominiums. Install a new EPDM waterproofing membrane beneath the new decking in accordance with the manufacturer specifications.<br><br>This project is a renovation of the existing balconies only. No changes will be made to the existing building or balcony footprint, and no structural modifications or structural repairs are included in this scope of work. All work will consist of removing and replacing existing finish materials while maintaining the existing balcony configuration.                                                                                                                                                                                                                                                                                 |
